

ABOUT WHOELFOODS

Wholefoods is a student-run, not-for-profit restaurant at Monash Clayton. Started in 1977, Wholefoods offers affordable and healthy vegan/vegetarian food. We are open on weekdays during the semester in Campus Centre. More information is available on our website.

We cater for a variety of events and functions. All of our catering options are either vegetarian or vegan, and all come with a vegan option. Please specify if you have any other relevant dietary requirements (e.g. fructose, nuts) and we can advise you on what the risk factor is for our menu items.
