MASTER OF ADVANCED NURSING

NURSING EDUCATION

Passing on your experience and knowledge is one of the most rewarding aspects of your career in nursing. Gain knowledge and develop leadership skills in a variety of nursing education contexts and with Commonwealth Supported Places available, there’s never been a better time to further your nursing career.

Learn from leaders within nursing education, develop an understanding of and how to apply contemporary, innovative teaching and learning practices to health professions education across a variety of contexts, including clinical education and academic teaching. Explore education theories, learning and teaching strategies and assessment, and, feedback and evaluation.

On successful completion you’ll have access to a wide range of career pathways including nursing or management positions with industry, government, or independent professional practice.

In the Nursing Education specialisation you will:
- Develop an understanding and how to apply contemporary, innovative teaching and learning practices to health professions education
- Develop leadership skills in a variety of nursing education contexts that includes curriculum development
- Explore education theories, learning and teaching strategies and assessment, and, feedback and evaluation.

You may be eligible to exit early with a Graduate Certificate or Graduate Diploma in Advanced Nursing if the award requirements have been met.

Course code
M6006
CRICOS Code: 098319M

Study mode
On-campus (Clayton, Peninsula)
Multi-modal (Clayton, Peninsula)

Intakes
First semester: February
Second semester: July

Durations
Full time: 1 or 1.5 years
Part time: 2 or 3 years

“Since completing the nursing education specialisation, I feel my clinical practice has benefited, I have become more analytical and my critical thinking skills have improved. I am able to understand how important current research is in the field of nursing.”

Cedric Saldanha
Master of Advanced Nursing graduate (2020)
ELECTIVES
As part of this Master’s degree, you’ll have the opportunity to customise your degree around your interests, with a choice of electives. You can pick nursing electives, or even units from another area of study (with the approval of the course convenor).

Explore a list of approved electives at handbook.monash.edu/current/courses/M6006

If you’re studying the on-campus mode, you’ll attend your nominated campus during Part A, and then attend both the Clayton and Peninsula campuses for Part B.

RESEARCH PATHWAY
Monash is recognised globally for research excellence. As part of the Master of Advanced Nursing, you may have the opportunity to work on a nursing research project, with one of our expert supervisors. Completing this can be used as a pathway to a graduate research degree, such as Doctor of Philosophy.

WHY CHOOSE MONASH?
- Complete the Nursing Education specialisation in 12 months
- Content developed and delivered by recognised experts
- Flexible learning delivery modes – study on campus or online
- Study by all coursework or combine coursework and a minor thesis
- Elective units allow you to meet your career aspirations
- Network with like-minded nurses wanting to advance their careers
- Ranked #15 in the world for Nursing (QS World University Rankings 2021)
- COMMONWEALTH SUPPORTED PLACES (CSP) AVAILABLE - this means your fees could be partially covered by the Federal Government.
