International Student Release

Student ID:

Date of Issue:

Student Name:

This is to verify that the above named student enrolled on <commencement date> in the <course name> at Monash University.

Monash University, as the provider of the student's principal course of study, has considered the student's application for release. The university is satisfied that the grounds for approving the release have been met and as a result, the student is released from Monash University.

The student must contact the Department of Immigration and Border Protection (DIBP) to seek advice on whether a new student visa is required. Further information is available at the following web site: <http://www.border.gov.au/>
