General Information

This form is to be used by students whose visa status has changed from any temporary visa (including a student visa) or New Zealand Permanent Resident visa to an Australian Permanent Resident (PR) visa. This change is to be recorded with the University and will result in the student’s university fee and residency status being changed from international to domestic.

Holders of a temporary visa, student visa or New Zealand permanent resident visa who have changed international visa types do not need to complete this form, but should submit certified visa documents to Monash Connect using the online enquiry form monash.edu/connect/contact-us?enquire=yes

Domestic students who have changed to a temporary visa, including a student visa, should use the ‘Change of residency notification form – from domestic to international status’.

Closing dates

You must notify Monash University of your change in visa status within 14 days of the change. Any changes that occur prior to your units’ census date will affect your fee status for those units and cannot be applied retrospectively for completed semesters. If the change occurs after your units’ census date, your fee status will not be affected until the following teaching period. There are different census dates for units in various teaching periods but the most common unit census dates are:

- Semester 1 units: 31 March
- Semester 2 units: 31 August
- Full Year units: 30 April

For further details on closing dates, please visit: www.monash.edu/connect/forms

The key date to determine the change in status is the date of the visa grant as indicated on the Visa Entitlement Verification Online (VEVO) statement and not the date on which the original application for PR was made.

Fees

The decision regarding the type of fee you will be charged following your status change (full-fee or Commonwealth Supported Place (CSP) will be made by the faculty who manages your course of study.

1. Commonwealth Supported Place (CSP)

If you are allocated a CSP you will be required to complete a ‘Request for Commonwealth support and HECS-HELP’ form via the Web Enrolment System (WES: my.monash.edu.au/wes) before the census date for the change to be effective in that current semester. You will be notified by the Enrolment Services when this form is available for you to complete via WES.

2. Domestic full fee places

If you are allocated a domestic full-fee place, you will be charged the current annual fee rate applicable to domestic students (with the exception of students transferring from Monash Malaysia). In some instances this may result in an increase in tuition fees.

3. Higher Degree Research students

If you are a research student you will have a Research Training Program (RTP) fee offset place allocated by the Monash Graduate Research Office (MGRO).
