TWO PART PROCESS FOR LEGAL COMPLIANCE

CHECKLIST

- ✓ Have you got permission or a licence to use the content in your entry?
- ✓ Have you changed the content of someone else's work for your entry? (This will also need permission or a licence)
- ✓ Have you checked the terms of the Free software/graphics programs you are using? This includes AI tools such as ChatGPT. (May have conditions that forbid removing logos or watermarks or that breach privacy or data sharing laws)
- ✓ You can use material licensed under any of the creative commons licences, except for those with the "SA" requirement
- ✓ Have you cited all your sources? (including the graphics programs/software you used to create the presentation, especially any use of AI tools)
- ✓ Have you cited any licences that you are relying on? (e.g. Creative commons licensed material requires a link to the relevant licence as part of the attribution)
