

Course progression map for 2026 commencing students

This progression map is a guide only. It does not substitute for the list of required units as outlined in the course 'Requirements' section of the Handbook. The order of units can be rearranged, if applicable prerequisite requirements are met. The unit offering information is correct at the time of publication, however changes may occur. You are advised to check with the relevant Faculty Student Services staff when planning your course and refer to the Handbook entry for each unit prior to the start of each semester.

Part A	Core studies
Part B	Capstone studies
Part C	Elective studies
Part D	Indonesian studies

Note 1: Innovation and leadership major - Given MON3750 and MON3500 are included in Part A, students will need to complete two elective units offered in other undergraduate courses, provided they have met the required prerequisites. You may use your elective units to complete a major, or minor(s).

Note 2: Electives can be chosen from across the Monash Indonesia campus, as long as you have met the prerequisites and there are no restrictions on enrolment in the units.

Note 3: Students participating in the Course Transfer Program will enroll in approved units from the B2000 Bachelor of Business or B2049 Bachelor of Digital Business courses at the Monash Australia campus, starting in Year 2 (Semester 1) 2028. You are advised to check with the relevant Student Services staff to plan your course at the Monash Australia campus.
