

BACHELOR OF SCIENCE

NEW COURSE STRUCTURE REQUIREMENTS

COURSE REQUIREMENTS

Students must complete one of the following, at a minimum

- 1 Science major (8 units) and 1 Science minor (4 units)
- 1 Science extended major (12 units)

These changes will also apply to the double degrees with a Bachelor of Science. Students enrolled in the Bachelor of Education (Honours) in Secondary Education/ Bachelor of Science must complete 1 Science major and 1 Science minor.

ELECTIVES

Students will continue to have flexibility through elective units. Students may choose to extend their Science major, complete a second Science major or a Science minor. Alternatively, students can choose electives from disciplines outside Science, this can include completing a major or minor/s. Please note some units have prerequisites and enrolment restrictions.

MAJOR AND MINOR COURSE MAP

YEAR 1

Semester 1	Science major	Science minor	Maths, statistics or coding	Elective or second major
Semester 2	Science major	Science minor	Science communication	Elective or second major

YEAR 2

Semester 1	Science major	Science minor	Science	Elective or second major
Semester 2	Science major	Science minor	Science	Elective or second major

YEAR 3

Semester 1	Science major	Science major	Elective or second major	Elective or second major
Semester 2	Science major	Science major	Elective or second major	Elective or second major

EXTENDED MAJOR COURSE MAP

YEAR 1

Semester 1	Science extended major	Science	Maths, statistics or coding	Elective or second major
Semester 2	Science extended major	Science	Science communication	Elective or second major

YEAR 2

Semester 1	Science extended major	Science extended major	Science extended major	Elective or second major
Semester 2	Science extended major	Science extended major	Science extended major	Elective or second major

YEAR 3

Semester 1	Science extended major	Science extended major	Elective or second major	Elective or second major
Semester 2	Science extended major	Science extended major	Elective or second major	Elective or second major
