Re: Statement of Support for the International Conference and Cultural Event (ICCE) of Aceh 2016

This is to certify that the Consulate-General of the Republic of Indonesia in Victoria and Tasmania fully supports the second International Conference and Cultural Event (ICCE) of Aceh which will be held in the Performing Arts Building at the Clayton Campus of Monash University, Melbourne, Victoria from 26-28 September 2016, organized by the Sir Zelman Cowen School of Music Monash University and Seuramoe Aceh Victoria Inc.

Keynote addresses and academic papers on the conference theme "*Exploring Aceh's Culture to Foster Sustainable Development*" - and the associated concert and art exhibitions will lead to creative discussions about and recommendations for a better future for the province of Aceh. There will also an Art's Exhibition "Trans-Memorabilia" by an Acehense contemporary artist and other cultural activities, such as culinary demonstration, traditional dances' workshop and also performance that would be held earlier between February to May of 2016. It will include discussions about cultural identity and promotion of multiculturalism in Indonesia and in Australia.

Seuramoe Aceh Victoria has been sponsoring discussions about the future development of Aceh's culture, human resources and infrastructure and promoting Acehnese and other Indonesian culture in Australia for some time in collaboration with Australians organisations, government and universities and other Indonesians in Victoria.

The Consulate-General would therefore greatly appreciate any support for **the International Conference and Cultural Event (ICCE) of Aceh 2016.**
