## 7. Student Signature

**Signature:**

**Date:**

## Faculty Approval by the Unit Coordinator

The Placement must be approved by the relevant **Unit Coordinator**, who is able to assess the opportunity to confirm the links between the student's course and the learning in the placement, as documented in the proposal.

In addition to confirming the relevance of skill development in the placement, approvers may also consider other factors such as:

- student academic progress
- year level

<b>Approver Name (Unit Coordinator):</b>	
<b>Rationale for project approval:</b>	
<b>Grade eligibility:</b> The student has the required 70% average Yes/No	
<b>Course Progression:</b> The student is in the final year of the course and is therefore correctly placed to undertake Part D. Yes/No	
<b>Signature:</b>	<b>Date:</b>

Completed and signed form **MUST be attached** to your WIL online application in the InPlace system.

Your application will be assessed by the Science WIL Team and you will be advised of the outcome by email so please keep an eye on your Monash student email account.
