11TH AUSTRALASIAN WORKSHOP ON ECONOMETRICS AND HEALTH ECONOMICS

Q Station – History meets the Harbour

Monday 20 April to Wednesday 22 April 2020

Q Station
1 North Head Scenic Drive
Manly NSW 2095
This workshop provides a forum for the development and dissemination of applications of econometrics and other quantitative approaches in health economics. The workshop will follow the format of the long-running European workshops on Econometrics and Health Economics.

The program consists of fourteen papers. Each paper is allocated one hour, which is made up of a presentation by the author, followed by a response from a nominated discussant and general discussion. Presentations by doctoral students and junior researchers are encouraged. The number of participants is limited to 40. Workshop participants will be expected to attend the whole of the meeting and play a role as either author, discussant or chair-person.
