### Intentional plagiarism or collusion amounts to cheating under Part 7 of the Monash University (Council) Regulations.

**Plagiarism:** Plagiarism means taking and using another person’s ideas or manner of expressing them and to pass these off as one's own. For example, by failing to give appropriate acknowledgement. The material used can be from any source (staff, students or the internet, published and unpublished works). Students must acknowledge editorial support, including that from supervisors.

**Collusion:** Collusion means unauthorised collaboration with another person on assessable written, oral or practical work and includes paying another person to complete all or part of the work.

Where there are reasonable grounds for believing that intentional plagiarism or collusion has occurred, this will be reported to the Responsible officer for academic misconduct or delegate, who may disallow the work concerned by prohibiting assessment or refer the matter to the Student Misconduct Panel.

Personal Information means information identifiable to any person such as information about a person’s health, finances, address, employment including but not limited to date of birth, mobile number, name and Medicare and social security numbers. If identifiable information is essential for assessment purposes, signed informed consent from the individual/s must be obtained. Failure to obtain a signed, original [Consent Form](#) or other unethical behaviour in a case study will be investigated and may be subject to disciplinary action.
