

Exhibition and awards for academic merit 2013

Each year the Faculty awards and celebrates its highest achievers.

Bachelor of Pharmacy

| | Recipient | Donated by | Prize |
|---|--------------------|---|--------------|
| First year exhibition | Rachel Jemimah Low | Pharmaceutical Defence Ltd | \$500 |
| Second year exhibition | Yee Lyn Tan | Pharmacy Guild of Australia (Victoria) | \$500 |
| Third year exhibition | Anne Marie Bradman | Society of Hospital Pharmacists of Australia (Victorian branch) | \$500 |
| Fourth year exhibition | Suat Yong Kee | Guild Insurance | \$500 |
| Rodney P. Cohen award | Anne Marie Bradman | The Cohen family | \$500 |
| Neil Naismith award | Suat Yong Kee | Therapeutic Guidelines | Subscription |
| Michael Keith Halprin Pharmacy Excellence award | Suat Yong Kee | Michael Keith Halprin | \$1,000 |

Bachelor of Pharmaceutical Science

| | Recipient | Donated by | Prize |
|------------------------|---------------------------|---|-------|
| First year exhibition | Serena Lee Yong Teo | Monash Institute of Pharmaceutical Sciences | \$500 |
| Second year exhibition | Kenneth Lee | The Australian Society of Cosmetic Chemists | \$500 |
| Third year exhibition | Julia Gabrielle Beveridge | Davies Collison Cave | \$500 |

Postgraduate

| | Recipient | Donated by | Prize |
|---|------------------------|---|-------------|
| Faculty Honours prize | Mitchell McInerney | Shimadzu | \$1,000 |
| Monash Pharmacy Internship prize | Janny Chi Fu | Pharmaceutical Defence Ltd | \$500 |
| Master of Pharmacy Practice prize | Catherine Anne George | Pharmacy Guild of Australia (Victoria) | \$500 |
| Master of Wound Care prize | Wendy Lee White | PSPDU | \$500 |
| Master of Clinical Pharmacy prize | Julian Nizette Lindsay | Society of Hospital Pharmacists of Australia (Victorian branch) | \$500 |
| Vice-Chancellor's Commendation for Doctoral Thesis Excellence | Dr Wye Khay Fong | Monash University | Certificate |

Medallists

| | Recipient | Donated by | Prize |
|---|---------------|--|---------------|
| Bachelor of Pharmacy Gold Medal | Suat Yong Kee | Pharmaceutical Society of Australia (Victorian branch) | \$500 Medal |
| Bachelor of Pharmaceutical Science Gold Medal | Gracia | GlaxoSmithKline | \$1,000 Medal |
| Mollie Holman Doctoral Medal | Dr Carl White | Monash University | Medal |

The Faculty would like to thank all donors who support these academic prizes.

Scholarship recipients 2014

Congratulations to the following students.

|---|--|---------------------------|
| Achieving Potential Scholarship | Li Ean Mah | Yee Lyn Tan |
| Cyril Tonkin Scholarship | Jenifer Liang | |
| Mathew Peck Travelling Scholarship | Jessica Florence Dayment | |
| Michael Keith Halprin Scholarship | Anna Diep | |
| Monash Dean's Scholarship | Thi Tina Thao Huynh | Ann Li |
| | Minh Wayne Tat | Anh Tu Ong |
| Monash Jubilee Honours Scholarship | Matthew Frith | Linda Hong |
| | Rui Teng Wun | |
| Monash Scholarship for Excellence | Rachel Jemimah Low | Jordan Arthur Michaelis |
| | Ashley Shao Yi Ng | Gavin Fei Xu |
| Monash Scholarship for Excellence and Equity | Yvonne Boutros | Helen Chen |
| | Victoria Ling Fung Ip | Anexsha Kalirajah |
| | Nhi Hong Phuong Le | Theresa Mei Yeak Lim |
| | Ali Rezaiee | Josephine Wen |
| Monash University International Scholarship for Excellence | Phuong Duy To | |
| Monash Vice Chancellor's Honours-PhD Scholarship | Gracia | |
| Pharmaceutical Sciences Advanced with Honours Scholarship | Cassandra Jay Hatzipantelis | |
| Pharmaceutical Science Regional Scholarship | Kate Elyse Pilbeam | |
| Pharmacy International Undergraduate Merit Scholarship | Marie Christine Tang Ya Lan Ah Sen | Yan Wing Vanessa Cheung |
| | Hirudini Subasingha Kshsthiya Rajaputhra | |
| | Ka Ho Leung | |
| Pharmore Pharmacies Scholarship | Sanja Vukoman | |
| Vice-Chancellor's Access Monash Scholars | Yvonne Boutros | Helen Chen |
| | Anna Diep | Anexsha Kalirajah |
| | Alina Denise Lam | Thuy Vivian Lam |
| | Nhi Hong Phuong Le | Theresa Mei Yeak Lim |
| | Nam Lu | Vienna Ly |
| | Elonie Rose Morris | Mubtasim Mohammad Murshed |
| | Anh Tu Ong | Francis Quang Trinh |

Presentation of awards

Keynote address

Dr Craig Rayner, CEO d3 Medicine

Honouring International Partnerships

Monash University would like to present Fatima College of Health Sciences a memento honouring a significant and successful partnership, spanning four disciplines and two faculties.

In 2012, the two organisations entered into a curriculum licensing agreement. The agreement covered a foundation year and the four undergraduate programs: Pharmacy, Radiography and Medical Imaging, Physiotherapy and Emergency Health (Paramedic).

Keynote address: *Job, Career or Vocation*

Dr Craig Rayner

BPharm BPharmSc(Hons) GCHE
PharmD MBA MAICD

Currently the CEO of d3 Medicine, Dr Rayner has more than 15 years of global drug development experience.

A US based strategic advisory company in drug development, d3 Medicine works collaboratively with like-minded and innovative people to improve their drug development process. D3's guiding purpose is to ensure more medicines that matter, reach patients globally.

Dr Rayner has held leadership roles in the faculty's anti-infective drug development initiatives. As well as roles in clinical pharmacology and early development at Roche and clinical development at CSL-Behring. As Global Due Diligence Director at Roche, he provided recommendations for entry-into-portfolio for the company

Broadly published in clinical pharmacology and infectious diseases, Dr Rayner is an alumnus of the faculty and retains an Adjunct Associate Professorship in Pharmaceutical Science at Monash University.

Unit winners 2013

Congratulations to these students who achieved the highest overall mark in a unit.

| Bachelor of Pharmacy | |
|-----------------------------|---|
| First year | Unit/s |
| Cheuk Him Li | Bioorganic and medicinal chemistry II |
| Michelle Liacos | Pharmacy, health and society II / Physicochemical basis of pharmacy |
| Kei Shin Lim | Pharmacy, health and society II |
| Rachel Jemimah Low | Bioorganic and medicinal chemistry I / Pharmacy, health and society I / Drug delivery I |
| Kok Weng Ng | Physicochemical basis of pharmacy |
| Chanh Tin Michael Nguyen | Physicochemical basis of pharmacy |
| Jie Lu Wong | Systems physiology |
| Gavin Fei Xu | Introduction to physiology |
| Second year | Unit/s |
| Jennifer Nguyen Dinh | Cell function, communications and pathology / Basis of drug action I |
| Thomas James Forster | Cell function, communications and pathology |
| Sally Hoang | Pharmacy in a public health context |
| Matthew James Hollett | Pharmacists as communicators |
| Li Shen Ng | Drug delivery and disposition |
| Leanne Ooi | Integrated therapeutics: introduction and cardiovascular |
| Yee Lyn Tan | Biochemistry and molecular biology / Basis of drug action II |
| Simone Chaille Taylor | Pharmacists as communicators |
| Amanda Sy-Yiing Ting | Pharmacists as communicators |
| Chui Jayn Wu | Basis of drug action I |
| Third year | Unit/s |
| Anne Marie Bradman | Context for practice I / Context for practice II / Integrated therapeutics: infectious disease |
| Yuesi Chen | Drug delivery, disposition and dynamics |
| Yen Mei Chuah | Microbiology and immunology / Integrated therapeutics: respiratory and gastrointestinal disease |
| Shiau Shuang Gan | Drug delivery, disposition and dynamics |
| Wai San Liew | Drug delivery, disposition and dynamics |
| Soon Seng Lim | Drug delivery II |
| Edward Juan Nim | Context for practice II |
| Meghan Phu | Context for practice II |
| Minh Hai Thu Tran | Integrated therapeutics: respiratory and gastrointestinal disease |
| Rachel Vorlander | Integrated therapeutics: respiratory and gastrointestinal disease |
| Fourth year | Unit/s |
| Wei Wei Chua | Integrated therapeutics: psychiatry |
| Vanessa Lee Inserra | Drug delivery and development / Context for practice III |
| Suat Yong Kee | Integrated therapeutics: dermatology and pain / Integrated therapeutics: neurology and oncology |

Bachelor of Pharmacy (continued)

| Fourth year | Unit/s |
|--------------------|--|
| Shin Jiat Liau | Integrated therapeutics: endocrinology and renal |
| Tek Yit Ling | Integrated therapeutics: endocrinology and renal |
| Salahuddin Omari | Preparation for practice |
| Vivian Shen | Drug delivery and development |
| Clare Ellen Spiden | Integrated therapeutics: endocrinology and renal |
| Li San Yeoh | Integrated therapeutics: psychiatry |

Bachelor of Pharmaceutical Science

| First year | Unit/s |
|--------------------------------|--|
| Lisa Chen | Physiology I / Physiology II |
| Beatrice Chiew | Bioorganic and medicinal chemistry I / Physical chemistry II/ Introduction to pharmaceutical sciences |
| Jacinta Elizabeth Killeen Poon | Physical chemistry I / Introduction to pharmaceutical sciences |
| Wei Hui Teng | Mathematics for pharmaceutical scientists |
| Serena Lee Yong Teo | Mathematics for pharmaceutical scientists / Bioorganic and medicinal chemistry II |
| Second year | Unit/s |
| Tara Jade Alvarez | Biochemical pharmacology / Introduction to spectroscopy |
| Yu Leuk Law | Synthetic organic chemistry |
| Kenneth Lee | Structural organic chemistry / Analytical methods / Biopharmaceutics / Molecular pharmacology |
| Tomasz Lubacz | Computational chemistry |
| Alastair Pearl | Product development / Formulation chemistry / Colloid chemistry |
| Kate Elyse Pilbeam | Disease-focused pharmacology - peripheral |
| Benjamin William Sebastian | Molecular cell biology |
| Third year | Unit/s |
| Gracia | Biopharmaceutics / Molecular basis of drug action / Applied analytical methods |
| Julia Gabrielle Beveridge | Spectroscopy / Synthetic medicinal chemistry / Drug discovery and development / Chemical technologies for the pharmaceutical sciences / Research project |
| Linda Hong | Product development II / Formulation chemistry III |
| Stephanie Alexandra Newman | Advanced formulation and nanotechnology |
