MAKE MONASH YOUR DESTINATION

There’s more than one way to become a Monash student. If your goal is to get a degree and use it to improve yourself, your community or the lives of others, Monash is the place for you.

A PATHWAY CAN HELP YOU ENTER A MONASH DEGREE IF YOU:

- didn’t finish Year 12
- didn’t achieve the ATAR you needed for your dream course
- are returning to study after working or raising a family
- want to change careers
- are transferring from TAFE or another university
- want to try university study before committing to a full degree.

HOW TO USE THIS GUIDE

I ALREADY KNOW WHICH DEGREE I WANT A PATHWAY INTO
If you’ve already chosen your dream Monash course, check out the tables at the back of this guide to find out which pathways can help you get there.

I’M STILL DECIDING WHAT I WANT TO STUDY
There’s a wide range of pathway options available, so you’ll need to consider your reasons for completing a pathway and where you hope to end up. Find out which of our pathway programs will suit your circumstances on the following pages.

CONTENTS
1  Why choose a pathway to Monash?
2  Diploma of Tertiary Studies (DoTS)
4  Diploma of Higher Education (DoHE)
5  Pathways to Law
7  Monash Access Program for mature age students (MAP)
8  Monash College Diploma
9  Monash Transition Program (MTP)
10  Indigenous Non-Award Pathway (INAP)
11  Single university units
12  TAFE/VET pathways
12  Course or university transfers
12  The Monash Guarantee and Special Entry Access Scheme
13  Scholarships
14  Pathways at a glance
18  Important dates
WHY CHOOSE A PATHWAY TO MONASH?

GREATER CHOICE
We offer one of the widest ranges of degrees in Australia. You can choose from two types of degree courses – comprehensive or specialist – or even study two courses at the same time.

COMPREHENSIVE COURSES
Comprehensive courses are all about developing expertise, and offer maximum flexibility and choice. You can choose comprehensive courses already knowing what your major area of study will be, or try a range of subjects in your first year before settling on your major.

SPECIALIST COURSES
Specialist courses allow you to concentrate on a particular area of study from day one, giving you the focus and depth required for entry into many careers.

Our flexibility allows you to better match your studies to your interests, or get a broader education that will set you ahead.

MORE OPPORTUNITIES
Monash is the largest university in Australia and among the most highly regarded in the world. Our scale means you’ll have access to a wider variety of opportunities – more research projects, more talented peers to collaborate with and more campuses to choose from.

A POSITIVE STUDENT EXPERIENCE
At Monash you’re at the centre of everything we do. New ways of teaching and learning are constantly developed, tested and integrated into your course to ensure you get the best university experience. And with small class sizes and helpful tutors you’ll be supported along the way.

PRACTICAL OUTCOMES
Monash students leave with a greater sense of purpose, a global outlook, and the skills and confidence to make positive change – to their own lives, and to the lives of those around them. Leaders from the world’s most successful companies consistently rate Monash as a preferred university from which to hire graduates.*

STUDY SKILLS AND SUPPORT SERVICES
The decision to study at university is exciting, but it’s also a big adjustment. We care about your wellbeing and offer transition programs, peer networking, mentoring and study skills workshops to help you settle in and adjust to uni life. We also have a comprehensive range of support services, including medical, counselling and mental health services, support for Indigenous students, the Ally Network (LGBTIQ), disability services, childcare, Career Connect and financial assistance.

FAST TRACK TO SUCCESS
Most of our pathway programs allow you to progress straight into the second year of your Monash degree on successful completion, or give you credit for the units you have studied (meaning you can take fewer subjects for one or two semesters of your degree). You won’t waste time and may complete your pathway and degree in just three to four years.

You might also receive credit for any previous university or TAFE/VET units you’ve completed.

FULL-TIME/PART-TIME
Monash offers both full-time and part-time study options in most degree courses. You can enrol in just one unit or up to the maximum for your course (usually four units per semester). This gives you the flexibility to fit study in around the necessities of your life.

FAIR ENTRY AND FINANCIAL SUPPORT
We understand that your previous academic achievement might not reflect your true ability to succeed at university. We operate two entry schemes – the Monash Guarantee and the Special Entry Access Scheme – that you can find out about on page 12. We also have a generous scholarship program designed to help you make the most of all the opportunities that will come your way during your time at university.

*Global Employability Rankings, 2011–2015
DIPLOMA OF TERTIARY STUDIES (DOTS)

If you completed Year 12 but didn’t quite meet the entry requirements for your dream course, DoTS might be the pathway for you. On successful completion you can get up to one year of credit towards a range of degrees in Business, Business Administration, Education or Nursing.

INTAKE
Semester 1 (February)

ENTRY REQUIREMENTS
Units 3 and 4 – a study score of 25 in English or 30 in English (EAL), plus
Completed Year 12 with an ATAR of 50+
OR
A recognised graded TAFE/VET Cert IV with distinction (70%) average
OR
A recognised graded TAFE/VET diploma with credit (60%) average.

HOW TO APPLY
• Apply via the Victorian Tertiary Admissions Centre (VTAC)
• Complete the online supplementary form available at: vtac-supp.adm.monash.edu

MORE INFORMATION
study.monash/courses

The Diploma of Tertiary Studies (DoTS) is a pathway to degrees in Business, Business Administration, Education and Nursing, as well as a range of other Monash courses.

When you apply for the diploma, you’ll select a course stream (either Business, Education or Nursing) which will be your area of specialisation leading to your chosen degree.

DoTS will help you become an independent learner and support you by providing an introduction to tertiary studies in your area of interest.

COURSE STRUCTURE
You’ll complete two foundation units and six discipline units within the area of study you’ve chosen. The foundation units provide you with the knowledge and skills necessary to be an independent learner who can succeed at university.

If you don’t have the mathematics prerequisites for your desired Monash course, you’ll have the opportunity to gain the required level of mathematics via the foundation units. If you already meet the mathematics prerequisites, you’ll take a unit in understanding knowledge and its contexts, which will help you to identify, compare and discuss different approaches to knowledge.

Once you’ve successfully completed DoTS you can get up to one year of credit towards a range of specified Monash degree courses.

In addition to the direct pathways, you can apply for entry into other courses through VTAC after successfully completing DoTS. Make sure that you’ve met the prerequisites for your chosen course. Admission into your course will be based on your academic performance and meeting the course prerequisites. All your study is at university level so if you progress to a degree course you’ll be eligible to apply for credit for prior study. The amount of credit granted will be at the discretion of the relevant faculty and will not automatically allow for progression into the second year of your preferred course.

Note: If you select the Education stream you must show evidence that you have satisfactorily completed the National Literacy and Numeracy Test for Initial Teacher Education Students prior to enrolment in your Education destination degree.

teacheredtest.acer.edu.au
The DoTS program allowed me to transition into university and feel well-supported. The course has opened up so many windows of opportunity. It has enabled me to reach my goal of studying at Monash, helped develop skills useful for my dream profession, and given me the opportunity to meet some amazing people.”

CASSANDRA KOVAC
Bachelor of Education

After learning about the Diploma of Tertiary Studies (DoTS) program at a Monash Open Day, Cassandra decided it would better suit her transition from high school. Once she completed DoTS, Cassandra gained entry into the Bachelor of Education.
Diploma of Higher Education (DoHE)

DoHE might suit you if you completed Year 12 but you didn’t quite meet the entry requirements for your dream course, if you’re returning to study or would benefit from additional learning support. On successful completion you can get up to one year of credit towards a range of degrees in Education and Science.

Intake
Semester 1 (February)

Entry Requirements
Units 3 and 4 – a study score of 25 in English or 30 in English (EAL), plus
Completed Year 12 with an ATAR of 65+
OR
A recognised graded TAFE/VET Cert IV with distinction (70%) average
OR
A recognised graded TAFE/VET diploma with credit (65%) average.

How to Apply
- Apply via the Victorian Tertiary Admissions Centre (VTAC)
- Complete the online supplementary form available at: vtac-supp.adm.monash.edu

More Information
study.monash/courses

The Diploma of Higher Education lets you begin studying towards your Monash degree from day one. Equivalent to the first year of university undergraduate study, it provides a pathway to selected undergraduate courses and support to ensure you achieve your academic goals. It’s delivered from our Clayton campus, so you’ll be able to access support from the Faculty of Science and the Faculty of Education.

When you apply for DoHE, you will select either the Education or the Science stream. These streams provide a direct pathway into specified Monash degree courses.

Education Stream
In the Education stream you will build a foundation in the professional skills and knowledge required to practise as a teacher/educator in a range of educational and school settings. This stream provides a direct pathway into second year of the Bachelor of Education (Honours) in Primary and Secondary Education and up to one year of credit towards a range of Education double degrees.

Note: You must show evidence that you have satisfactorily completed the National Literacy and Numeracy Test for Initial Teacher Education Students prior to enrolment in your Education destination degree.
teacheredtest.acer.edu.au

Science Stream
In the Science stream you’ll be introduced to a broad range of science fields by completing a sequence of study in two of the following areas: Biological Science, Chemistry, Geosciences, Mathematics and Physics. This will allow you to gain a foundation in key scientific principles while determining your future major area of study. This stream provides a direct pathway into second year of the Bachelor of Science and the Bachelor of Education (Honours) and Bachelor of Science double degree course.

Course Structure
DoHE consists of two foundation units and six discipline units within the area of study corresponding to your chosen stream. Discipline units can be selected based on interest and prerequisites needed for successful study.

In addition to the direct pathways, you can apply for entry into other courses through VTAC after successfully completing DoHE. Make sure that you’ve met the prerequisites for your chosen course. Admission into your course will be based on your academic performance and meeting the course prerequisites. All your study is at university level so if you progress to a bachelor’s degree course you’ll be eligible to apply for credit for prior study. The amount of credit granted will be at the discretion of the relevant faculty and will not automatically allow for progression into the second year of your preferred course.

Clayton
On-campus

1 year
Full-time

$ If you’re a domestic student you will be eligible for a Commonwealth Supported Place for this course. You can then defer your payment through the HECS-HELP loan scheme if you’re eligible.
PATHWAYS TO LAW

Our new pathways to law are designed for students who have the talent and determination to succeed in our Bachelor of Laws but just miss out on the clearly-in ATAR. If you identify as an Indigenous Australian, live in a low socio-economic area or have experienced financial hardship you could be eligible.

INTAKE
Semester 1 (February)

ENTRY REQUIREMENTS
Units 3 and 4 – a study score of 25 in English or 30 in English (EAL).
Minimum ATAR or equivalent of 90.00.
Completed an Australian Year 12 or IB.
Not completed any study at tertiary level.
Satisfy requirements for home location, financial disadvantage or identify as an Indigenous Australian.

Commerce stream
• As above plus Units 3 and 4 – a study score of at least 25 in Mathematical Methods (any) or Specialist Mathematics.

Science stream
• As above plus Units 3 and 4 – a study score of at least 25 in one of Biology, Chemistry, Environmental Science, Geography, Mathematical Methods (any), Specialist Mathematics, Physics or Psychology.

There are a specified number of places available in these programs. All students who have satisfied the entry requirements will be ranked based on ATAR, with offers given to those who have achieved the highest ATAR.

HOW TO APPLY
• Apply via the Victorian Tertiary Admissions Centre (VTAC)
• Complete a SEAS application through VTAC

MORE INFORMATION
monash.edu/seas
monash.edu/law/future-students/undergraduate

Our new pathways to law let you begin studying towards the Bachelor of Laws (Honours) or selected double degrees from day one. You’ll also receive mentoring opportunities with law academics.

You’ll enrol into one of the following degrees:
• Bachelor of Arts (Law Pathway)
• Bachelor of Commerce (Law Pathway)
• Bachelor of Science (Law Pathway)

In your first year, you’ll study four first-year Law subjects along with four Arts, Commerce or Science subjects.

If you pass all first year subjects with a credit (60%) average in all four Law units and a credit (60%) average overall, you are guaranteed a place in any of the following courses:
• second year of the relevant double-degree course (Bachelor of Laws (Honours)/Bachelor of Arts, Bachelor of Laws (Honours)/Bachelor of Commerce or Bachelor of Laws (Honours)/Bachelor of Science)
• second year of the Bachelor of Laws (Honours)

If you don’t achieve the credit average overall and the required average in the Law units, you can transfer to the relevant single-degree course (Arts, Commerce or Science), obtaining credit for any subjects you’ve passed. If you pass all subjects, you’ll progress straight to second year.
The Monash Access Program was the most suitable university pathway program for me because it gave me a smooth transition into tertiary education. As I had been away from school for many years, immediately entering university may not have prepared me as well as MAP did.”

JOSHUA DISSANAYAKE
Bachelor of Information Technology and Systems
Joshua left high school during Year 11, moving straight into work. While he enjoyed working he found that his lack of refined critical skills was holding him back, and began to understand the advantages of university study for his chosen career in IT. Joshua is now completing his Bachelor of Information Technology and Systems.
If you’re a mature-aged student (aged 21+) who wants to study Arts, Business, Education or Information Technology, MAP might be for you.

**INTAKE**
May

**ENTRY REQUIREMENTS**
21+ years of age by 1 January of the year you enrol.
No prior university study.
Australian citizen, Australian permanent resident or holder of a humanitarian visa.
Completed secondary school in English.

**HOW TO APPLY**
- Directly to Monash using the form at: monash.edu/admissions/apply/online.html
- Compete the online supplementary form available at: jfe.qualtrics.com/form/SV_a4Sr0mRq1GgkMFn

For assistance with your application contact Monash:
\[ p: 1800 \text{MONASH (1800 666 274)} \]
\[ e: \text{future@monash.edu} \]

Indigenous Australians are encouraged to contact the Yulendj Indigenous Engagement Unit:
\[ p: 03 9905 8699 \]
\[ e: \text{yulendj@monash.edu} \]

**MORE INFORMATION**
study.monash/why-choose-monash/study-options/mature-age/monash-access-program

The Monash Access Program (MAP) is an enabling program for mature-age students who have not undertaken previous university study. MAP helps you develop the skills you need to successfully participate in your studies, and gives you the option to progress to a range of internationally recognised Monash degrees.

We give priority to students who have experienced financial hardship or other disadvantage. You’ll have full access to library resources and student services.

**COURSE STRUCTURE**
You’ll study the following four units:
1. Learning in a university context
2. Mathematics for tertiary study
3. Academic writing
4. An elective of your choice.

The elective allows you to choose a first-year unit from a selected list of subjects offered by the faculties of Arts, Business, Education and Information Technology.
MONASH COLLEGE
DIPLOMA

With a Monash College Diploma, you could pathway into the second year of **Art and Design**, **Arts**, **Business**, **Engineering**, **Information Technology** or **Science**. Monash College might suit you if you completed Year 11 or 12 but didn’t meet the ATAR for your dream course.

**INTAKE**
February, June or October

**ENTRY REQUIREMENTS**
The following requirements are for direct entry into Diploma Part 2. You must have completed Year 12 and achieved the following ATAR:

- **Art and Design**
  - ATAR of 50

- **Arts – Human Behaviour stream, Engineering – Information Technology stream, and Science**
  - ATAR of 65

- **Arts – Psychology stream, Business and Engineering stream**
  - ATAR of 70

If you’re interested in an Art and Design pathway but aren’t able to satisfy the portfolio requirements for Part 2, you may wish to consider the Diploma of Art and Design Part 1 pathway.

Subject prerequisites also apply.

**HOW TO APPLY**

- **February intake**
  - Apply through Victorian Tertiary Admissions Centre (VTAC)

- **June and October intakes**
  - Apply directly to Monash College:
    - w: monashcollege.edu.au/apply
    - p: 03 9903 4788
    - e: study@monash.edu

  Indigenous Australians are encouraged to contact the Yulendj Indigenous Engagement Unit:
    - p: 03 9905 8699
    - e: yulendj@monash.edu

**MORE INFORMATION**
monashcollege.edu.au/diploma

Monash College in Australia is owned by Monash University and offers accredited diploma programs in Art and Design, Arts, Business, Engineering and Science.

After successfully completing the diploma program to the required academic standard, you can enter the second year of Monash University courses within the following fields:

- Art, design and architecture
- Arts, humanities and social sciences
- Business
- Engineering
- Information technology
- Science.

**COURSE STRUCTURE**

Monash College diplomas are delivered in two parts. Where you start will depend on your qualifications.

**Part 1** is for those students who have completed Australian Year 11 or equivalent. After successfully completing part 1, you can start part 2. If you achieve exceptional marks in part 1 you may be eligible to enter the first year of selected courses at Monash University.

**Part 2** is for students who have completed Australian Year 12 or equivalent. It consists of eight units from your chosen field (10 units for the Engineering stream). You’ll study the same curriculum and complete the same assessments as first-year university students. After successfully completing Part 2 and meeting faculty entry requirements, you’re eligible for entry into the second year of a relevant Monash degree.
MONASH TRANSITION PROGRAM (MTP)

MTP is designed to support Indigenous Australians in making a successful transition to university. On successful completion you can transfer directly into a range of Monash degree and double degree courses.

INTAKE
Semester 1 (February) or Semester 2 (July)

ENTRY REQUIREMENTS
Australian Aboriginal or Torres Strait Islander descent.
MTP Part 1: Writing skills comparable to a Year 12 pass, or TAFE/VET equivalent; demonstrate a strong commitment to tertiary study.
MTP Part 2: SEAS-adjusted ATAR of 70.00, or equivalent prior study; Units 3 and 4 – a study score of 25 in English or 30 in English (EAL).

HOW TO APPLY
Directly to Monash using the direct application form at monash.edu/about/indigenous/students/non-award
Or contact Yulendj:
p: 03 9905 8699
e: yulendj@monash.edu

MORE INFORMATION
study.monash
monash.edu/about/indigenous

The Monash Transition Program (MTP) is designed to support Indigenous Australians to make a successful transition to university. It will help you develop and strengthen your academic skills and prepare you for success at university. Successful completion leads to a range of Monash University degree and double degree courses.
INDIGENOUS NON-AWARD PATHWAY (INAP)

INAP allows Indigenous Australians to get a taste of university by studying two first-year subjects. On successful completion you can transfer into a range of Monash courses.

INTAKE
Semester 1 (February) or Semester 2 (July)

ENTRY REQUIREMENTS
Australian Aboriginal or Torres Strait Islander descent.
Writing skills comparable to a Year 12 pass, or TAFE/VET equivalent.
Demonstrate a strong commitment to tertiary study.

HOW TO APPLY
Directly to Monash using the direct application form at monash.edu/about/indigenous/students/non-award
Or contact Yulendj:
p: 03 9905 8699
e: yulendj@monash.edu

MORE INFORMATION
study.monash
monash.edu/about/indigenous

The Indigenous Non-Award Pathway is designed to support Indigenous Australians who wish to undertake university studies. In this pathway we assist you to choose and enrol in two first-year university units. We provide you with a tutor for each of your units to help you make a successful transition to university study.

COURSE STRUCTURE
This program consists of two first-year university units. Upon successful completion of these two units you’ll be able to enrol in a Monash undergraduate degree with credit for these two units.

YULENDJ INDIGENOUS ENGAGEMENT UNIT

The Yulendj Indigenous Engagement Unit offers tailored advice to Indigenous Australians to map the best way for you to reach your educational goals. Yulendj staff can provide comprehensive advice and can support you through the application process. Yulendj can also assist you to access a range of services, including accommodation and scholarships.

Contact Yulendj:
p: 03 9905 8699
e: yulendj@monash.edu
w: monash.edu/about/indigenous
SINGLE UNIVERSITY UNITS

Single university units are a great way to get a taste of university study before committing to a full degree, or meet prerequisites you missed out on. You can pathway into a range of Monash courses on successful completion.

INTAKE
Semester 1 (February) or Semester 2 (July)

ENTRY REQUIREMENTS
You must have completed secondary school in English. Additional requirements vary depending on the subject you are taking. One of the units must be an English-rich unit if you don’t meet the required score in Year 12 English or another measure of English proficiency.

HOW TO APPLY
Directly to Monash:
p: 1800 MONASH (1800 666 274)
e: future@monash.edu

MORE INFORMATION
For more information on the units available to study, view the University handbook:
monash.edu/pubs/2016handbooks

You can also check the relevant faculty website:
monash.edu/faculties

For further information on the Monash Pathway Grant visit:
monash.edu/scholarships

By studying single units at Monash, you can meet university entry requirements for your desired degree course while getting a taste of university study to see if it’s for you.

When you successfully complete a unit you’ll receive a statement of results that can then be used for applications for further study within a 10-year period. Depending on the degree you choose, you could also gain credits for the units you have completed.

Single units are available on a fee-paying basis only. If you are a mature age student (21 years or older) you might be eligible for the Monash Pathway Bursary, which provides tuition fees for up to two single units for students who have experienced financial hardship or a range of other circumstances.

COURSE STRUCTURE
Completing two single units makes you eligible for entry into a large range of undergraduate courses. We encourage you to take units that relate to the course you would like to study.

A 60% average in single units is usually required to be competitive in selection for entry into a degree.
TAFE/VET PATHWAYS

Monash recognises vocational qualifications from providers across Australia and also has priority partnerships and formal articulation pathways with selected Victorian TAFE institutes.

If you have successfully completed a certificate IV, diploma or the first year of an advanced diploma you could qualify for a place at Monash University and be eligible for some credit towards your course for any graded TAFE/VET studies you have completed. Check the credit calculator to find out what you are eligible for: monash.edu/prior-study

For further information visit: monash.edu/admissions/credit

COURSE OR UNIVERSITY TRANSFERS

Many of our students begin a degree at another university, or even another Monash degree, before applying to transfer into their dream Monash course.

If you have successfully completed degree subjects you could qualify for a place at Monash and be eligible for some credit towards your course.

For further information visit: study.monash and monash.edu/admissions/credit

THE MONASH GUARANTEE AND SPECIAL ENTRY ACCESS SCHEME

Your dream course might be closer than you think with help from the Monash Guarantee and Special Entry Access Scheme (SEAS). These schemes can help you enter your preferred course, even if your ATAR falls below the clearly-in.

In simple terms, the Monash Guarantee promises entry to Monash degrees at a lower ATAR, while SEAS adjusts your ATAR giving you a greater chance of meeting the ATAR requirement.

You must be studying an Australian Year 12 or the International Baccalaureate in 2016 to be eligible for the Monash Guarantee.

For further information visit: monash.edu/seas
SCHOLARSHIPS

We want as many bright minds as possible to benefit from a Monash education. Our scholarships are designed to help you make the most of all the opportunities that will come your way during your time at university.

More than 2500 scholarships are awarded to new students through our equity programs every year.

MONASH PATHWAY GRANT
This grant is for mature-age students (21 years or over) who do not meet the academic entry requirements for a Monash course and are going to enrol in two single undergraduate units as an alternative way to gain entry. The grant will pay the tuition fees for up to two units (up to $5000).

MONASH UNISTART SUPPORT SCHOLARSHIP
This scholarship is guaranteed to all eligible commencing undergraduate students experiencing financial disadvantage. You will receive $1000 for your first year of study and $500 for every subsequent year.

MONASH SUPPORT SCHOLARSHIP
For students experiencing financial disadvantage. Provides payment of up to $3000 per year of study.

MONASH RELOCATION GRANT
A $2000 one-off payment for students moving from Tasmania or the Northern Territory to study at Monash. Eligible for students experiencing financial disadvantage, attending a Monash-listed under-represented school and Indigenous Australians.

MONASH RESIDENTIAL SERVICES ACCOMMODATION SCHOLARSHIP
For students belonging to a range of groups who are under-represented in higher education. Provides $3000 paid in monthly rebates towards your on-campus accommodation fees.

MONASH COLLEGE EQUITY SCHOLARSHIP
For students enrolling into selected Monash College diplomas who are experiencing financial disadvantage, attending a Monash-listed under-represented school, are an Indigenous Australian, or have lived in a regional or remote area of Australia for at least five years. Provides full fees paid for the minimum number of credit points required to complete the course of study and $2500 per annum for one year only.

HOW TO APPLY
You will be automatically considered for the above scholarships by submitting your Scholarships application through VTAC. You can also apply for scholarships once you are enrolled at Monash.

For eligibility and information about our full range of scholarships visit: monash.edu/scholarships

DID YOU KNOW
If you have experienced financial disadvantage we guarantee you a scholarship of at least $1000 in your first year at Monash.
### PATHWAYS AT A GLANCE

The following table provides an overview of the pathway options that are available for Monash University undergraduate courses (single degrees only). In all cases you will need to satisfy the English language requirements and prerequisites for the course in which you are seeking admission. It is recommended that you choose pathway content that is related to the course. Detailed course prerequisite information is available from the Monash course guides or study.monash.

1 Requirements for a double degree will be dependent upon the requirements for each single component degree. Study at other campuses may be required depending on your choice of double degree.

2 Only applicable to the Bachelor of Fine Art.

3 Successful completion of this Diploma provides up to one year of credit in select destination degrees. See study.monash/courses for details.

4 These are the minimum scores to be eligible for entry into the second year of the Monash University courses. You will be considered on a merit basis for a Commonwealth Supported Place (CSP) and places are awarded on a competitive basis, students should therefore aim for the best score that they can achieve.

5 Only applicable to the Bachelor of Fine Art.

6 Successful completion of this Diploma provides up to one year of credit in select destination degrees. See study.monash/courses for details.

7 Selection is ATAR/GPA based. No interview or folio required.
The following table provides an overview of the pathway options that are available for Monash University undergraduate courses (single degrees only). In all cases, you will need to satisfy the English language requirements and prerequisites for the course in which you are seeking admission. It is recommended that you choose the pathway that is related to the course. Detailed course prerequisite information is available from the Monash course guides or study.monash.
