9TH AUSTRALASIAN WORKSHOP
ON ECONOMETRICS AND HEALTH ECONOMICS

Wednesday 25th April – Friday 27th April
Mantra Lorne
Great Ocean Road, Victoria
This workshop provides a forum for the development and dissemination of applications of econometrics and other quantitative approaches in health economics. The workshop will follow the format of the long-running European workshops on Econometrics and Health Economics. A selection of papers from the workshop will be published in a special supplement of *Health Economics*.

The program consists of up to fourteen papers. Each paper is allocated one hour, which is made up of a presentation by the author, followed by a response from a nominated discussant and general discussion. Presentations by doctoral students and junior researchers are encouraged.

The number of participants is limited to 40. Workshop participants will be expected to attend the whole of the meeting and play a role as either author, discussant or chair-person.
