

# Monash Residential Services

## The Role of a Resident Advisor (IT)

### **Context**

The first four Mission Goals of Monash Residential Services (MRS) are to provide and develop an environment within each location on campus that:

- Provides care, support and enrichment for the residential community in academic, cultural, personal, social and recreational matters;
- Has regard for the individual and group needs of the residential population, bearing in mind the multi-cultural nature of each residential location and the wider Monash University community;
- Recognises and values diversity (e.g. nationalities, beliefs, abilities, talents, interests, etc);
- Creates opportunities for mutually beneficial interaction between the members of the residential community  
(<http://www.monash.edu/accommodation/contact/about-us>)

Monash Residential Services gratefully acknowledges that there are current residents who demonstrate a strong commitment and willingness to undertake and be involved in a range of voluntary activities, programs and initiatives that contribute to the enhancement of community life in their Hall or Site and wider residential community.

As volunteers, Resident Advisors cannot be rostered 'on-call' – their contribution to their hall is entirely voluntary - and is essentially a community support, engagement and development role which demonstrates a strong commitment to actively participating in enriching and promoting community life within their Hall and wider residential community. As an acknowledgement of the contribution to residential communities made by Resident Advisors, an MRS Resident Advisor Scholarship may be offered to residents.

- Maintain the support of the Residence's College Head as an appropriate, designated community leader in their Residence – as a result of ongoing conduct and contribution to their residential community and MRS more broadly.

## ***Expectations of a Resident Advisor***

Resident Advisors are expected to uphold and model exemplary behaviour and conduct and be an example to others as well as an ambassador for their Residence and Monash University. The conduct of Resident Advisors is expected to be at an exceptional level at all times within Residence as well as when the resident is (reasonably perceived as) representing or engaging in activities associated with their Residence or MRS.

Resident Advisors are expected to complete any requirements outlined in the application form for Resident Advisors, including, but not limited to:

- Completing accredited Mental Health First Aid Training
- Obtaining a Victorian *Working with Children Check (Volunteer)* card
- Completing Monash University Equal Opportunity (Students) online training
- Fulfilling any designated MRS Required Training Commitments – as outlined in the application and appointment process.

Resident Advisors contribute to the creation of a Residential Support Team within their Hall. The *Expectations* set out below are a means to achieving the above Mission Goals and are to be fulfilled in collaboration with, and support of, the whole of the Residential Support Team of each residential hall or MRS site. The central expectation is that RAs will be the model resident – actively promoting the values and expectations of MRS in their actions (both formal and informal). RAs are expected to inform their College Head of information which is important to the residential community and/or has the potential to impact the experience of residents or the reputation of MRS – RAs must disclose to their College Head or other appropriate person(s) at MRS, any personal conduct or situation(s) outside of MRS, within the University or wider community, which has the ability to influence the reputation of the RST and detrimentally impact MRS.

## ***Expectations of a Resident Advisor – IT Coordinator***

All tasks as outlined below will be undertaken with support from the Support Systems Co-ordinator.

  - Email, social media interactions, or phone conversations with RAs
  - Directly visiting residents or meeting them in a communal area
  - Working with a MRS Site Manager or delegate for difficult to resolve issues.

## ***IT Coordinator Overview***

The MRS IT Coordinators will provide assistance to RAs particularly where the RA is having difficulty in solving resident issues connecting their computer to the Monash IT network. This support will be 7 days a week, although without specified time commitments or scheduled availability. The IT coordinators will run central IT related events, at least one per semester.

## **Aim:**

- To provide 'timely' technical assistance to RA's and residents in matters relating to network IT issues.
- To encourage participation in IT related functions and events or information sessions held either over the network or at a specific location.

## **Relevant Skills Required**

The Resident Advisor (IT Coordinator) will be provided with operating guidelines by the Associate Deputy Director - Operations to assist them with tailoring their contribution to the specific needs of their residential community, and will be offered a full range of training relevant for their role.

Resident Advisors (IT Coordinator) are not employees of MRS or the University and should ensure that they do not represent to students, staff or others that they are employees of MRS or the University. A resident's voluntary contribution to their Hall and wider residential community as a Resident Advisor (IT Coordinator) does not carry any commitment by MRS or the University, for future employment opportunities.

## **Other items of consideration**

- Monash Residential Services reserves the right at any time to advise residents they no longer require their voluntary contribution to the community as a Resident Advisor.
- All residents living at a Monash Residential Services site, whether they are residents or residents who have offered to be volunteer Resident Advisors:

  - must pay all requisite fees at the times specified;
  - ***accept all other such regulations as are specified in Resident Advisor online induction and to abide by the disciplinary authority of the College Head, MRS Site Managers or other appropriate persons.***
