

MONASH RESIDENTIAL SERVICES

LIVING ON CAMPUS DURING COVID-19

SOCIAL ENGAGEMENT & ACTIVITIES

A significant number of online activities are currently being offered including, gaming, chat rooms, competitions, study sessions and heaps more to ensure everyone has the opportunity to be engaged!

SAFETY & SECURITY

There is increased Security presence day, and at night, to support the health and safety of residents.
Cleaning has been increased in communal spaces within Halls & cleaning supplies and equipment provided to houses/flats.

LEADERSHIP AND DEVELOPMENT

Regular meetings, training opportunities, and online event planning sessions are ensuring that MRS residents have access to leadership and development initiatives.

24/7 LIVE-IN SUPPORT

Your CH, DCH, RSA and RAs are available if you feel you need some extra support or advice.
A Dedicated RST staff member is available to assist and support residents in isolation.
Ensure you advise your RST if you are feeling unwell.

DIVERSITY & INCLUSION

At MRS, community means belonging, diversity, support, safety and friendships.
We are, as a community, supporting one another during this time.

CAMPUS SERVICES & SUPPORT

MRS self-isolation packs are provided and there are services to assist with food delivery for residents in isolation.
Increased virus-testing is available at Monash Health.
