FREE INFORMATION AND PAYMENT PLANS

The Bachelor of Medical Science and Doctor of Medicine (M6011/M6018) is not divided into semesters, it is a full year program. You will be enrolled in units that run from the beginning of the calendar year to the end of October.

The census date (the last date you can withdraw from a subject without being financially liable) is 30 April - see [refund policy](#). Note that if you discontinue the course, or take an intermission after this date, you will not be eligible for a refund of fees. Partial refunds will not be available.

PAYMENT PLANS FOR INTERNATIONAL STUDENTS

A payment plan is available for international and domestic full-fee paying students enrolled in these courses. This will allow you to pay your tuition fees in 2 instalments on the 15th of March and 15th of June. These dates will appear on your fees statement once you have applied and been approved for the fee payment plan.

You must apply prior to the payment due date on your fees statement each year. Information on applying for a fee payment plan is available on the Fees webpage.
