YOUR SUCCESS STARTS HERE

FLEXIBLE PROGRAMS

Tailor your course and choose units that suit your interests and career goals. Study on-campus, online, or during the evening. Available full-time and part-time, or try a Graduate Certificate before embarking on a master's degree.

PROFESSIONAL ENHANCEMENT PROGRAM

Develop essential transferable professional skills with our tailor-made Professional Enhancement Program (PEP) units, a key component in all our coursework master's degrees.

STUDY TOURS AND FIELD TRIPS

Undertake interstate and international field trips and study tours to gain practical, real-world experience within your specialised field.

INDUSTRY ENGAGEMENT AND INTERNSHIPS

With over 400 partners in diverse industries and sectors, gain deeper insights and experience as you expand your professional networks.

RESEARCH PATHWAYS

If you're a high-achieving student, you may undertake a research thesis, and pave your way to a Higher Degree by Research, such as a PhD.

INTERNATIONAL REPUTATION

Monash graduates are recognised and in demand across the world. Increase your global opportunities with a truly international university that is consistently ranked in the top 1% of universities worldwide for humanities and social sciences.

As Arts students we're constantly challenged to look at every issue from a range of, a multitude of, different perspectives. And it's this capacity for breadth, I think, that is what Arts brings to the table when we talk about the skills that are crucial for today's society."

JEREMY LUK

Bachelor of Global Studies graduate
Master of International Development
Practice graduate

Assistant Director, Australian Government

PROFESSIONAL ENHANCEMENT PROGRAM

The Monash Arts Professional Enhancement Program (PEP), designed in association with industry experts, is tailor-made to equip you with career planning and professional skills development.

INDUSTRY-INFORMED MODULES

As a graduate coursework student, you'll undertake specially designed units to hone essential transferable skills. These units have been developed in collaboration with the Monash Arts Industry Advisory Board, industry leaders and outstanding Monash Arts alumni, working across a range of fields and disciplines.

DEVELOP YOUR CAREER PLAN

Each student undertaking PEP works with experts to create a professional development and career plan, including short and long-term career goals and informed action steps.

LEARN FROM OUTSTANDING ALUMNI

As a PEP participant you'll have direct access to exceptional Monash Arts alumni through lectures and mentoring opportunities. You'll gain advice and insight on career success from leaders in a diverse range of fields, helping you make strategic choices about your professional future.

SHAPE YOUR FUTURE PROFESSIONAL PROFILE

Select from a range of modules to shape your professional profile and develop essential transferable skills in topics as diverse as communicating for impact, emotional intelligence, and project planning.

FLEXIBLE PROGRAMS

All our coursework master's programs are available as 100 per cent coursework, or in combination with research and internship units. You can tailor your course to suit your interests and career needs, whether you come with some background in the field, or if you're new to the area.

Depending on your previous experience, you may have the option to complete your course in one, one-and-a-half or two years if you're studying full-time.

Most courses are made up of a series of different types of units:

FOUNDATION UNITS

You'll take these if your previous qualification is not in a related field, or if you wish to take a longer program of study. These units provide you with an orientation to the field of studies at graduate level.

CORE MASTER UNITS

Taken by all students, these will equip you with specialist knowledge related to the field.

CAPSTONE UNITS

Designed to allow you to demonstrate what you've learnt, and apply the skills you've acquired – for example, via an internship, research project or global field school.

ELECTIVE UNITS

You'll have the opportunity to select from a range of units related to the field that best meets your own study interests and career aspirations. You may also have the ability to take elective units from other master's by coursework degrees offered in the Faculty.

RESEARCH PATHWAY UNITS

A research pathway is also available for students seeking eligibility to apply for graduate research studies. Under the supervision of suitable academic staff, you will conduct independent research on an appropriate topic.

PROFESSIONAL ENHANCEMENT PROGRAM UNITS

Designed in association with industry experts, select from this suite of professional enhancement offerings to build essential competencies for your career pathway – for example, the opportunity to be matched with an industry mentor.

EXAMPLE COURSE STRUCTURE

The information provided in this table is for illustrative purposes only. Study durations, course sequencing, and unit availability may vary between programs and individual student circumstances. Prospective students should seek personalised advice to confirm degree requirements and credit eligibility.

¹ The entry requirements in this table only provide the basic course entry requirements. Your prior qualification/s must be accredited to the equivalent Australian level specified in the entry requirements table.

Full entry requirements can be accessed on our website, monash.edu/study

² In equivalent Monash University grading scale terms; a 100% scale where 50% is a pass.

³ Courses are offered both full-time and part-time, with published durations applying to full-time study mode (unless specifically stated otherwise). The duration of your course will depend on your prior qualifications.

Even if you're eligible for a shorter duration, you may elect to choose the longer duration.

⁴ If you're eligible to enrol in the 1.5-year entry point, you have the option of completing this course intensively over a 12-month period by following the intensive course progression map. See our website for more details.

⁵ You need to have achieved this average in both qualifications.

⁶ The online offering of this course is only available to domestic students and international students with certain types of visas. It's not available to international students studying onshore in Australia on a student visa.

⁷ Research and HDR are offered both full-time and part-time, with published durations applying to full-time study mode (unless specifically stated otherwise). See our website for more details.

MASTER OF COMMUNICATIONS AND MEDIA STUDIES

monash.edu/study/course/A6003

Build the expertise to lead in today's rapidly evolving communications and media landscape. Tailor your studies through specialist streams aligned to your career goals, while developing advanced skills in strategic communication, digital engagement, media analysis and audience communication. Gain the insights and leadership capabilities to influence public conversation, shape strategy and drive impact across communications, media, public relations, policy and digital industries.

ELIGIBILITY, FAQs AND FEES

ELIGIBILITY

Minimum entry for our Graduate Certificates includes an Australian bachelor degree, or equivalent (applicants for the Graduate Certificate of Strategic Communications Management or Graduate Certificate of Public Policy can also be considered based on a minimum of three years relevant work experience).

For our coursework master's degrees, a 60 per cent average in a bachelor's degree or graduate diploma or a qualification/experience the Faculty considers equivalent.

Applicants to the Master of Interpreting and Translations Studies also require advanced bilingual proficiency.

All students must meet English language requirements.

ENGLISH LANGUAGE REQUIREMENTS

IELTS 6.5 overall with a minimum of 6.0 in Reading, Listening, Writing and Speaking.

TOEFL (Internet-based) 4 overall score with a minimum 3.5 in Reading, 3 in Listening, 3.5 in Speaking and 4.5 in Writing.

Pearson Test of English (PTE) overall score of 58 with minimum of 50 in Listening, Reading, Speaking and Writing.

Note: Requirements for the Master of Journalism are:

- IELTS overall score of 7.0 with a minimum of 6.5 in Reading, Listening, Writing and Speaking
- TOEFL (Internet-based) overall score of 4.5 with a minimum 4 in Reading, 4.5 in Listening, 4 in Speaking and 5 in Writing
- Pearson Test of English (Academic) overall score of 65 with minimum of 58 in Listening, Reading, Speaking and Writing.

CAN I RECEIVE CREDIT FOR PREVIOUS STUDY?

You may be eligible to receive:

- up to 48 credit points (equivalent to one year of full-time study), for previous honours or graduate level studies in the area(s) of social sciences/humanities
- or up to 24 credit points for previous undergraduate studies in the area(s) of social sciences/humanities or honours studies in an unrelated area.

Applications for credit are assessed on a case-by-case basis. Studies must have been completed within 10 years prior to the year of application for credit.

🔗 monash.edu/admissions/credit

International students who complete a two-year course may be eligible for a post-study work visa.

🔗 www.homeaffairs.gov.au

GRADUATE TUITION FEES

Graduate courses attract fees for both domestic and international students.

For details of course fees:

🔗 monash.edu/fees

DOMESTIC STUDENTS

There are two full-fee payment options: a deferred payment through a government loan or an upfront payment.

GOVERNMENT LOANS

There are two types of government loans and both are available to Australian citizens and permanent humanitarian visa holders.

- **HECS-HELP** – is a loan to cover the Student Contribution Amount (SCA) and is available to CSP holders.
- **FEE-HELP** – is a loan for 100% of the tuition fee. Students without a CSP must pay full course fees upfront unless they have a FEE-HELP loan.

🔗 monash.edu/study/fees-scholarships/loans-and-assistance

COMMONWEALTH SUPPORTED PLACE (CSP)

Each year, the Faculty of Arts is offered a limited amount of CSPs for graduate study. CSP offers are based on academic merit and students must apply by the application deadline. Students in a CSP pay a lower course fee – the SCA. A CSP may be available to:

- Australian citizens and permanent humanitarian visa holders
- Australian permanent residents [must pay the lower course fee (SCA) upfront]
- New Zealand citizens [must pay the lower course fee (SCA) upfront].

INTERNATIONAL STUDENTS

Our courses are offered as full-fee places. Students in these courses pay the full tuition cost of the course and must make the payment upfront each semester.

MONASH GRADUATE COURSES DISCOUNT

Monash is offering alumni, who completed their undergraduate studies in the last five years, a 10% discount on full-fee courses commencing in 2027.

The 10% discount is applied to your course fees for each semester, and applies to the first 48 credit points of a master's program.

The discount is for both domestic and international students and applies to a wide range of graduate courses across all 10 faculties.

🔗 monash.edu/students/admin/fees/discounts

SCHOLARSHIP OPPORTUNITIES

A variety of scholarships and grants are available for prospective and continuing graduate coursework students. The number of scholarship and grant offers made in any one year varies.

Scholarships are available from Monash University, the Australian Government and other organisations. Prospective students should examine all the scholarships on offer to see what they could be eligible for.

🔗 monash.edu/scholarships

INTERNATIONAL STUDENTS

AUSTRALIA AWARDS

The Australia Awards are an initiative of the Australian Government to promote knowledge, education links and enduring ties between Australia and our neighbours through Australia's extensive scholarship programs. Monash University offers a range of courses suited to the development needs of the Australia Awards and its scholarship holders.
