

FREEZER CHALLENGE

Launch Event

Monash Environmental Sustainability is launching the inaugural Laboratory Freezer Challenge. The Challenge is designed to optimise cold storage management practices in laboratories and reduce our impact on the environment.

FIND OUT MORE

Come along to the launch event, get a free ice cream and register your lab.

WHEN

Thursday 2 March, 11.30am – 1.30pm

WHERE

Forecourt outside 15 Innovation Walk (STRIP 1)

WHY

Everyone loves ice-cream and gelato!

CHALLENGE

1 March – 31 May
(Labs to complete at their own pace)

PRIZES

Win a new energy efficient freezer!
