CONVERSION FROM CASUAL TO FIXED-TERM OR CONTINUING EMPLOYMENT

Eligible casual professional staff may apply for conversion to fixed-term or continuing employment.

Staff are eligible to apply if:

- they have been employed on a regular and systematic basis in the same (or a similar and identically classified) position in the same department (or equivalent); and
- they have served the required qualifying period over that employment.

The required qualifying period is 12 months if the staff member has worked at least an average of 18.375 hours per week over that 12-month period. Otherwise the required qualifying period is 24 months.

The Monash University Enterprise Agreement (Academic and Professional Staff) 2019 (the “EA”) outlines the provisions applying to conversion from casual to fixed-term or continuing employment.

Clause 23 provides as follows:

23.1 A casual staff member must not be engaged and re-engaged nor have his/her hours reduced in order to avoid any obligation under this clause or Schedule 4.

23.2 Upon appointment, the University will advise a casual staff member that, after serving qualifying periods, a casual staff member may have a right to apply for conversion and the University will provide a web link to the conversion provisions of this Agreement to such casual staff members.

23.3 An eligible casual staff member may apply in writing for conversion to non-casual employment in accordance with the conversion provisions of Schedule 4.

The University will consider any applications received for conversion and they may only be refused on reasonable grounds. Schedule 4 of the EA includes, but is not limited to the following examples of reasonable grounds for refusal:

(a) the casual staff member is a student, or has recently been a student, other than where their status as a student is irrelevant to their engagement and the work required;
(b) the casual staff member is a genuine retiree;
(c) the casual staff member is performing work which will either cease to be required or will be performed by a non-casual staff member, within 26 weeks (from the date of application);
(d) the casual staff member has a primary occupation with the University or elsewhere, either as a staff member or as a self-employed person;
(e) the casual staff member does not meet the essential requirements of the position; or
(f) the work is ad hoc, intermittent, unpredictable or involves hours that are irregular.

Any conversion from casual to fixed-term or continuing employment will be consistent with the staff member’s casual engagement. Conversion may be on a part-year, annualised hours, or seasonal employment basis where it is agreed between the University and the staff member, or it is the custom and practice for how the staff member’s casual hours have been worked.
