Monash Peninsula campus is smoke-free.

1

## NURSING AND MIDWIFERY

The Nursing and Midwifery Building contains simulation labs that aim to replicate a real-life hospital setting, and provide students with relevant, practical experience.

2

## STUDENT VILLAGE

Our student village can currently accommodate 118 students. The development of a new residential building close to the existing accommodation is in progress and will be ready for occupation in 2019. It will provide 150 modern and sustainable residential spaces that will enable students from around the world to connect, belong, and collaborate in a welcoming and supported environment.

3

## PENINSULA LIBRARY

Peninsula Library provides scholarly resources, study facilities and research skills development programs for students. The library also has physical items other than books, with teaching materials and equipment available to students undertaking education rounds, anatomy models for students of medical subjects, and a range of occupational therapy assessment tools.

4

## GEORGE JENKINS THEATRE

The George Jenkins Theatre is a 426 seat venue ideal for plays, dance, concerts and conferences. A fully licensed cafe is connected to the foyer and services patrons pre-show, during interval and post-show if required.

5

## MPARC

Monash Peninsula Recreation and Activity Centre (MPARC) opened in 2012 and is a \$12.8 million dollar facility for health and fitness activities and teaching. As well as a large fitness centre and a group fitness studio, the centre has a two court multi-purpose stadium, an exercise science testing lab plus a movement and performance studio.

6

## HOCKEY PITCH

The Peninsula Hockey Centre is a 6,400m<sup>2</sup> sand filled synthetic pitch with international game standard lighting. The centre was established in early 2002 and is available for school and casual usage. It is also a multipurpose facility and has been used by other sporting teams for cricket, gridiron, lacrosse, rugby, soccer and touch games.

7

## EDUCATION SPACES

Our Education teaching space includes art and science classrooms to help provide students with real-life experiences.

8

## SEAHORSE TAVERN

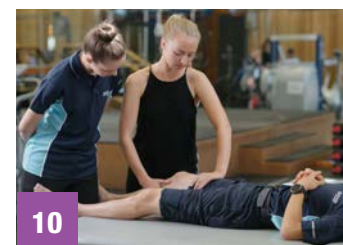

Building U is home to the Seahorse Tavern – a newly-refurbished cafe, Monash University Student Union (MONSU) Peninsula, health services, the Queer Lounge and a bookshop.

9

## PARAMEDIC BUILDING

The Paramedic Building is a space that allows students to practice real-life scenarios in the home. It also includes a number of tutorial labs and equipment rooms.

10

## PHYSIOTHERAPY TEACHING SPACES

Our Physiotherapy teaching spaces include state-of-the art practical rooms and a gymnasium to help provide students with training from a clinical environment.
