CONSENT FOR STILL AND MOVING IMAGES

I DO NOT consent to Monash University, the University of Melbourne or any person acting on behalf of the universities to take photographs, film, or other pictorial and audio recordings of my child in any medium (Material) and to use, reproduce, publish, communicate, enhance, modify, adapt or broadcast the Material (or any part of the Material) in any form (including CD, DVD, website, publication, poster, presentation) for advertising, marketing, informational or promotional purposes and/or to teaching and research purposes. I acknowledge that the universities own copyright in the Material.

I consent to Monash University, the University of Melbourne or any person acting on behalf of the universities to take photographs, film, or other pictorial and audio recordings of my child in any medium (Material) and to use, reproduce, publish, communicate, enhance, modify, adapt or broadcast the Material (or any part of the Material) in any form (including CD, DVD, website, publication, poster, presentation) for advertising, marketing, informational or promotional purposes and/or to teaching and research purposes. I accept responsibility for any charges associated with excessive internet access.

I have read and understand all the information on this form and agree to the conditions of use for the computer Information Technology Acceptable Use Policy.pdf.

I have read the Monash University Acceptable Use of Information Technology Facilities by Students policy at monash.edu/itpolicy/acceptable-use-policy. I accept responsibility for any charges associated with excessive internet access.

of Year 12 participants who participated in a SEAMS program reached a first round university offer for 2018.

said they would recommend SEAMS to other students.

felt the program had increased their knowledge in science.

felt more confident about maths and science at school as a result of attending the program.

felt the program had increased their knowledge in Maths Methods.

How does it work?

As a SEAMS participant you will be invited to attend two SEAMS camps during the year, in January and July. The camps are held on campus at Monash University or the University of Melbourne.

You will also have the chance to take part in fun activities that will help you get to know your fellow SEAMS participants.

All meals and activities are provided, and there is no cost to participate.

During the year you will also have the option to participate in the Access Monash E-Mentoring Program. You will be matched with an experienced Monash University student who will help you set goals for the future and work to achieve them.

SEAMS was developed by Monash University, The University of Melbourne, John Monash Science School, Elizabeth Blackburn Science School and independent experts.

Do you want to meet other students like you, be inspired and discover the possibilities maths and science have to offer?

SEAMS gives you the chance to:

• Get a head start on your maths and science VCE subjects
• Attend camps at Monash University and the University of Melbourne during your school holidays
• Connect with other students who share your interests, and make new friends
• Experience university life first-hand
• Explore the options available for your future
• Get ongoing support online and invitations to special events throughout the year.

How do I apply?

There are two parts to the SEAMS application. Both must be completed for your application to be considered.

Part A: Complete both sides of the application form that is attached to this information pack and submit it to the SEAMS office by 15 November 2018. To submit, you can scan the form or take a clear photo of it and email it to seams.enquiries@monash.edu. You can also mail it to the address on the form. Applications sent by email must be posted by Friday 9 November 2018 to ensure they reach our office by the due date.

Part B: Fill out the online component of the application at monash.edu/access/seams by 15 November 2018.

When you have submitted both Parts A and B, your application will be complete.

**ACCOMMODATION AND MEALS**

Students will stay at a Monash or University of Melbourne residential college. They will be allocated a bedroom with a lockable door and their own keys, and have access to shared bathroom and toilet facilities. Breakfast, lunch and dinner are provided.

**SAFETY AND MEDICAL INFORMATION**

Supervision will be provided by the University of Melbourne and Monash University staff, as well as student university ambassadors. All staff and university ambassadors hold a current Working With Children Check.

SEAMS organises will use the information you provide in the attached medical information form if a student is involved in a medical emergency. All information is held in confidence. This medical form must be current when the camp is run - please let us know if there are any changes.

Parents are responsible for all medical costs if a student is injured on a SEAMS excursion unless the participating university is found liable (e.g. is an automatic). Parents can purchase a private health insurance policy to cover a commercial insurance if they wish.

Supervisors will oversee evening at the accommodation. External doors to the accommodation are locked and can only be accessed with the electronic f tag allocated to students with their keys. The accommodation has staff on site 24 hours per day.

**STUDENT BEHAVIOUR**

To participate in SEAMS students need to adhere to the behavioural guidelines imposed by the university in relation to SEAMS. All students must:

- Not consume or have in their possession any alcohol or drugs at any time during the program.
- Not participate in activities that pose a health or safety risk to themselves, other participants or staff.
- Maintain on university accommodation grounds at all times unless supervised by a university staff member or student host involved in the program.

Failure to adhere to the above conditions will result in immediate exclusion from the program and possible loss of a refund.

**MEDICAL CONSENT**

When the university staff are unable to contact me, or it is otherwise impracticable to contact me, I authorise University staff to:

- Consent to my child receiving any medical or surgical attention deemed necessary by a medical practitioner.
- Authorise such first-aid as the staff-in-charge judges to be reasonably necessary.

**NAME OF PERSON TO CONTACT IN AN EMERGENCY**

Emergency contact numbers (if different to above)

- Parents/guardians
- Other contact

**MEDICAL/HOSPITAL INSURANCE FUND NAME AND NUMBER**

- Name of insurance company (please give the full insurance company):
- Date (please give the full date that the insurance begins):

**MEDICAL CONDITIONS AND DISABILITY**

- Are you allergic to any of the following:
- Stinging insect sting (e.g. bee, wasp)
- Grains (e.g. wheat, rice, oats)
- Peanuts
- Eggs
- Milk
- Fish
- Shellfish
- Tree nuts
- Seeds
- Potato
- Other (please specify):

- Do you have any heart condition?
- Do you have any other medical conditions?

- Have you ever had a job in the last 12 months, or have you retired in the last 12 months, or are you currently in paid work but have had a job in the last 12 months, or have retired in the last 12 months, please select your last occupation from the above list.
SEAMS APPLICATION FORM

This is Part A of your SEAMS application. You must also complete the online component of the application for Part B. For details see the ‘How to apply’ section of this information pack.

Please post or take a clear photo of this form and email it to: seams.enquiries@monash.edu.

Or mail to: SEAMS, Access Monash, G06, Building 6, 29 Ancora Imparo Way, Clayton, Reply Paid 91727, 3800.

Please post before Monday 20 May 2019 to ensure it is received by the due date.

PROGRAM OUTCOMES

94% felt the program had increased their knowledge in Science

97% said they would recommend SEAMS to other students

96% said they were looking forward to further engaging in the SEAMS program

96% felt more confident about math and science at school as a result of attending the program

90% felt the program had increased their knowledge in Maths Methods

98% of 2016 participants recommended a first round university offer for 2016

HOW DO I APPLY?

There are two parts to the SEAMS application. Both must be completed for your application to be considered.

• Part A: Complete both sides of the application form attached to this information pack and submit it to the SEAMS office by Friday 10 November 2018. To submit, you can scan the form or take a clear photo of it and email it to seams.enquiries@monash.edu. You can also mail it to the address on the form. Applications sent by mail must be posted by Friday 9 November 2018 to ensure they reach our office by the due date.

• Part B: Fill out the online component of the application at monash.edu/access/seams by Friday 10 November 2018.

When you have submitted both Parts A and B, your application will be complete.

DO YOU WANT TO MEET OTHER STUDENTS LIKE YOU, BE INSPIRED AND DISCOVER THE POSSIBILITIES MATHS AND SCIENCE HAVE TO OFFER?

Do you want to meet other students like you, be inspired and discover the possibilities maths and science have to offer? SEAMS gives you the chance to:

• Get a head start on your maths and science VCE subjects

• Attend camps at Monash University and the University of Melbourne during your school holidays

• Connect with other students who share your interests, and make new friends

• Experience university life first-hand

• Explore the options available for your future

• Get ongoing support online and invitations to special events throughout your course.

• Participate in e-mentoring.

HOW DOES IT WORK?

As a SEAMS participant you will be invited to attend two SEAMS camps during the year—In January and July. The camps are held on campus at Monash University or the University of Melbourne.

You will also for two nights at a university residential college with fellow students from across Victoria. You participate in interactive workshops and academic sessions to prepare you for Maths Methods, Chemistry and Physics VCE subjects. You will also have the chance to take part in fun activities that will help you get to know your fellow SEAMS participants.

All meals and activities are provided, and there is no cost to participate.

During the year you will also have the option to participate in the Access Monash E-mentoring Program. You will be matched with an experienced Monash University student who will help you set goals for the future and work to achieve them.

SEAMS was developed by Monash University, the University of Melbourne, John Monash Science School, Elizabeth Blackmore Science School and independent experts.

For further information about the program, please feel free to contact us at any time for future information about the program.

ADMINISTRATIVE DETAILS

PRIVACY AND YOUR INFORMATION

When a student applies to participate in the SEAMS program, Monash University and the University of Melbourne collect information about them and their parents/guardians. To comply with privacy statements, which include information about how this data is collected and used, visit monash.edu/privacy-mono/privacy-collection-statement for the purposes of the SEAMS program, where context allows, references in the privacy statement to "Monash University" should be read as referring to both Monash University and the University of Melbourne. In relation to University of Melbourne, references to "privacy@unimelb.edu.au" should be read as "privacy@unimelb.edu.au".

STILL AND MOVING IMAGES

SEAMS participants may be photographed and/ or filmed during program activities. If they do not wish to be photographed or recorded, they may indicate this by responding "no" to the relevant question. Monash University IT, including computer accounts, may use these images or recordings for promotional purposes related to the SEAMS program, use is for academic and administrative purposes, and can only be accessed with the electronic login password of the Monash or University of Melbourne student ambassadors. All staff and university ambassadors hold a current Working With Children Check.

ACCESS TO INFORMATION TECHNOLOGY

All students must have permission from their parent/guardian to access University IT. There is no censorship for anything students may access. Monash University IT, including computer accounts, may use these images or recordings for promotional purposes related to the SEAMS program, use is for academic and administrative purposes, and can only be accessed with the electronic login password of the Monash or University of Melbourne student ambassadors. All staff and university ambassadors hold a current Working With Children Check.

SEAMS STUDENT MEDICAL INFORMATION

SEAMS staff will use the information you provide below if your child is involved in a medical emergency. The information will not be used for marketing or administrative purposes. All information is held in confidence. This form must be current when your child attends the camp – please let us know if there are any changes.

STUDENT BEHAVIOUR

Students will stay at a Monash or University of Melbourne residential college. They will be allowed to have a bedroom with a bed/cot and their own key, and have access to shared bathroom and toilet facilities. Breakfast, lunch and dinner are provided.

SAFETY AND MEDICAL INFORMATION

Supervision will be provided by the University of Melbourne and Monash staff, as well as university student ambassadors. All staff and university ambassadors hold a current Working With Children Check. SEAMS organisations will use the information you provide in the attached medical information form if an individual is involved in a medical emergency. All information is held in confidence. This medical form must be current when the camp is run – please let us know if there are any changes.

STUDENT BEHAVIOUR

Students will stay overnight at the accommodation. External doors to the accommodation are locked and can only be accessed with the electronic fob allocated to students with their keys. The accommodation has staff on site 24 hours a day.

STUDENT BEHAVIOUR

To participate in SEAMS students need to adhere to the following behavioural guidelines imposed by the university in relation to SEAMS. All students must:

• Not consume or have in their possession any alcohol or drugs at any time during the program. If students consume or are found with alcohol or drugs, appropriate disciplinary measures will be taken including informing parents/guardians and the school.

• Parent/guardian of the full name: Parent/guardian 1 contact number: Parent/guardian 2 contact number: Email address: Email address:
