

FACULTY OF ART, DESIGN AND ARCHITECTURE

WELCOME GUIDE

To make the most of your time at Monash, we have prepared this guide outlining the key services and support you may need.

As a first step we recommend that you:

- Familiarise yourself with the services available to Monash students on the my.monash portal
- Check out the [Caulfield campus map](#) and services on the inside of this flyer
- Complete the Moodle modules:
 - Respect at Monash
 - OHS1000 – Introduction to Art and Design Health and Safety
- [Get your M-Pass](#) (Monash Student ID card)
- [Explore our libraries](#) via a 360-degree virtual tour

We acknowledge and pay respect to the people of the Kulin Nations, the traditional owners of the land on which Monash University is located. The Faculty of Art, Design and Architecture acknowledge Aboriginal connection to material and creative practice on these lands for more than 60,000 years, and celebrate their enduring presence and knowledge.

CAMPUS SECURITY

We're committed to providing a safe and healthy environment for all students and staff. Our Safer Community Unit provides information advice and support to identify and manage problem behaviours.

COMMITTED TO REDUCING OUR ENVIRONMENTAL FOOTPRINT

Our aim is to reach [zero waste at Monash](#). To achieve this, we prioritise waste prevention over recycling and continually improve our waste management infrastructure and processes.

We are all responsible for taking actions to minimise our impact. Look out for water bottle refill stations across campus and all our cafes allow for reusable cups for when you really need a take-away coffee. In the faculty we try to re-use and recycle workshop materials amongst other things.
