- 1 Successful completion of this diploma provides up to one year of credit in select destination degrees, including associated double degrees. See monash.edu/study/courses for details
- 2 This is the minimum requirement to be eligible for consideration if you haven't completed any other studies (such as Year 12 or other tertiary studies). Your full academic history will be taken into consideration. Please read this column in conjunction with the 'Other information' column which contains relevant information regarding single university subjects. These are the minimum scores to be eligible for entry into second year of a related Monash University undergraduate course. Domestic students achie
- Monash University, nor are they guaranteed a Commonwealth Supported Place (CSP). 4 Upon completion of the Diploma of Art and Design, you'll commence first-year second semester.
- 6 Requirements for a double degree will be dependent on the requirements for each single component degree. Study at other campuses may be required depending on your choice of double degree.
- 7 DoTS is only a pathway into the single degree Bachelor of Education (Honours) in Primary Education. It's not a direct pathway into the double degrees.
- 8 This applies to primary double degrees in Arts, Business, and Science.
- 9 Only applicable to Bachelor of Education (Honours) single degrees.
- 11 Completed diploma with 55% average allows entry into second-year at Peninsula (only). 12 For the first year you'll study five units at Caulfield campus. All of your other units are delivered at Clayton campus, including three online units undertaken in your third year.
- $13 \ \ \text{For the first year you'll study three units at Caulfield campus. All of your other units are undertaken at Clayton campus.}$
