Visit the Monash Course Maps for more detail about the knowledge, skills and experiences included in the course.

WHAT IS EXPECTED OF THE PRE-SERVICE TEACHER (PST)?

Throughout this professional experience the PST will work towards teaching at a [consolidating](#) level.

01. TEACHING

- Take small groups, plan and implement intentional teaching moments, extending to half day control and then full management when ready.
- Always actively participate, observe and support the mentor teacher in room experiences and the implementation of Early Years Learning Framework (EYLF).

02. PLANNING

- Identify children's individual needs and respond inclusively.
- Evaluate written observations and have them inform the planning cycle.
- Plan for learning using a range of teaching and assessment strategies.

03. RELATIONSHIPS

- Develop positive relationships with children by engaging with them and supporting their learning through play.
- Implement behaviour guidance strategies for children.

04. FEEDBACK

- Consistently respond to feedback, reflect on self-development to maintain a reflection journal to modify practice.

05. ROLE

- Take on the role of the teacher both in and out of the room.
- Take on all duties required of the Mentor (eg. meetings etc.)

06. INITIATIVE

- Demonstrate initiative through participation in professional conversations and professional learning.

07. EXPECTATIONS

- Read and follow centre policies and guidelines and adhere to the VIT Code of Conduct and Ethics.

08. DOCUMENT

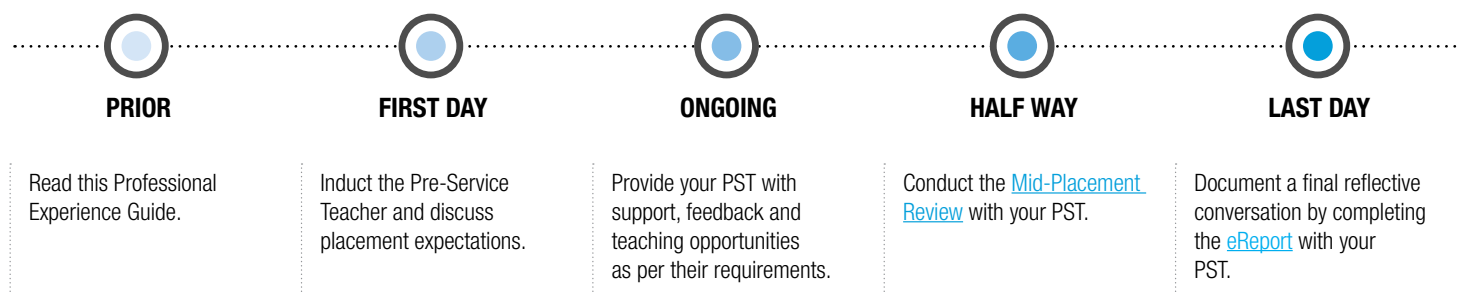

- Take written observations and discuss with the mentor how to analyse and evaluate them to inform the planning cycle.
- Document personal reflections in the Monash Reflection Journal.

Notes: These expectations are a minimum. Where your PST shows readiness their capacity should be further developed through the planning and implementing of intentional teaching moments including whole group teaching opportunities.

WHAT IS EXPECTED OF A MONASH MENTOR?

ASSESSMENT: HOW DO I COMPLETE THE REPORTS?

STEP 01	Access the Monash Mentor Hub
STEP 02	Find the Reports Page
STEP 03	Find the relevant report: - Mid-Placement Review - Half Way - eReport - Last Day
STEP 4	Launch and complete the report

See the [Mentor Hub](#) for the two reports for teaching placements: the Mid-Placement Review (halfway through) and the eReport (the last day). The Mentor Hub provides explanations, links to both reports, details on the Australian Professional Standards for Teachers (APSTs) used for assessment, FAQs, and support.
