

## The Temporary Hut

Studio Leader: Eric Yuen

ARCH 2001/ ARCH 3001  
Bachelor of Architectural Design Studio  
Semester 1, 2023

MONDAY & THURSDAY : 14.00-17.00

Glenn Murcutt's notion to "touch the earth lightly" has increased significance with awareness of the current climate crisis and understanding of Earth as a fragile and finite resource. It has become important to not only think of architecture as an act of construction, but also as a temporal condition which must respond to the eventual act of deconstruction.

Left: Demolition of *Pruitt-Iggoe*.
