

D6016 Master of Educational and Developmental Psychology Advanced

Campus	Mode	Intakes
Clayton	Multi-modal	Term 1 Term 3

[D6016 Handbook entry](#); refer to the Handbook for authorised course and unit information. Please note that the links in this map will direct you to the current version of the handbook entry. You can access previous versions of course and unit information by using the 'year switcher' located within a current course or unit entry.

Course requirements

- Students will complete a total of 48 credit points.
- Students must complete the units as detailed in the course map.

Course notes

- Upon commencing the course and before commencing professional experience, students must submit proof of registration with the [Psychology Board of Australia](#). This registration must be maintained throughout the course.
- Students are required to successfully maintain and complete a practice log and competency journal. Both must be submitted to be eligible for course completion.
- This course requires you to undertake off-campus professional experience activities.
- Attendance is mandatory for the clinical component of each applicable unit. In the clinical setting students will have an opportunity to develop their practice under supervision.
- Students must complete professional experience orientation provided by the faculty prior to undertaking any professional experience.
