D6016 Master of Educational and Developmental Psychology Advanced

Faculty of Education

Course map for students commencing study in 2027

Campus	Mode	Intake	
Clayton	Multi-modal	Term 1	Term 3

D6016 Handbook entry: refer to the Handbook for 2027 course and unit information (previous versions of course and unit information can be accessed by using the 'year switcher' button).

Course requirements

- Students will complete a total of 48 credit points (cp).

Course notes

- Upon commencing the course and before commencing professional experience, students must submit proof of general registration with the Psychology Board of Australia. This registration must be maintained throughout the course.
- Students are required to successfully maintain and complete a reflective logbook as part of the course requirements. This must be submitted to be eligible for course completion.
- This course requires you to undertake off-campus clinical placement activities.
- Attendance is mandatory for the clinical component of each applicable unit (including teaching intensives). In the clinical setting, students will have an opportunity to develop their practice under supervision.
