## We've started...

It was by a nose!

And it was a photo finish!

But it was Wellington Regional Hospital (NZ) who enrolled our first patient on 21 June 2016 closely followed by Austin Hospital (AUS) 3 mins later!

It was so close I had to check the times with Audrey Shearer at Spiral!

We've made the most amazing start, thank you to our sites who have started early and the biggest thank you to everyone for your patience.
