# FORM 3
# COVID-19 IMMUNISATION COMPLIANCE

**Statement of Compliance with COVID-19 Vaccination**
**Faculty of Medicine Nursing and Health Sciences**

**To be returned to your School/Department by the required date**
**as specified by your course of enrolment.**

*Ensure you keep an electronic copy of the final set of reports and documents.*
*Your school/department cannot provide a copy at a later date; evidence of immunisation status may be requested at any time by placement authorities.*

**Student Name:** ………………………………………………………………  **DOB:** __ __ /__ __ /__ __

I understand that immunisations are required for all students undertaking placements.

After each dose of the COVID-19 vaccine I attach the following evidence that I have been vaccinated.

☐ **Scanned copy of immunisation history statement from the** *Australian Immunisation Register* **that includes the details of the type of vaccine administered for each dose and date given** *(if you are undertaking placement overseas you must follow the vaccination requirements of that country and provide a scanned copy of an official card/government document).*

**Dose 1 Date Given:** __ __ /__ __ /__ __

**Dose 2 Date Given:** __ __ /__ __ /__ __

**Dose 3 Date Given:** __ __ /__ __ /__ __

**Student declaration:** I have read and understood the Monash University, Faculty of Medicine Nursing and Health Sciences Guidelines available at: https://www.monash.edu/medicine/study/student-services/mandatory-compliance, and agree to abide by all conditions.

**Student Signature:** ………………………………………………………  **Date:** __ __ /__ __ /__ __

# Australian Immunisation Register

*Anyone who receives a coronavirus vaccine in Australia would have it recorded on the Australian Immunisation Register.*

*The record will then be made available on the MyGov website or the Express Plus Medicare app, where a person's total immunisation history is listed, or a paper version can be printed out.*

### 1.How to get proof of your vaccination

*Your immunisation history statement will record your COVID-19 vaccines. You can use this as proof of your COVID-19 vaccination status.*

*Get your immunisation history statement using either:*

- *your Medicare online account through myGov*

- *the Express Plus Medicare mobile app.*

*Read more about how to get an immunisation history statement.*

### 2. How to get information if you're not eligible for Medicare

*If you're not eligible for Medicare you can still get the COVID-19 vaccine.*

*You can request an Individual Healthcare Identifier (IHI) from us to get an immunisation summary through My Health Record.*

*Find out more about Individual Healthcare Identifiers.*

### 3.Get ready for your COVID-19 vaccinations
*What you need to know to get ready for the COVID-19 vaccines.*
<u>*What to do now*</u>

*There are 3 steps you can take now to get ready:*

1. *create a myGov account and link Medicare*

2. *check your contact details for Medicare are up to date*

3. *view your immunisation history statement.*

*Watch our video on how to get ready for the COVID-19 vaccine rollout. Transcript | Watch on YouTube*

### 4. How to create a myGov account and link Medicare

*We have guides and a video to help you create a myGov account.*

*Once you have a myGov account, you can link Medicare. You'll need your Medicare card handy and to answer some personal questions.*

*When this is done, you'll have access to your Medicare online account in myGov. You can also download and use the Express Plus Medicare app.*

### 5.How to check and update your details online

*It's important your contact details are up to date with Medicare.*

*You can view and update your contact details using your Medicare online account or the Express Plus Medicare app. Sign into your account through myGov or the app and select personal details.*
