Occasional address

Madelaine Nguyen

2006 Mathew Peck Travelling Scholarship recipient

Madelaine completed her Bachelor of Pharmacy in 2006 and is currently completing her pre-registration year at Pulse Pharmacy. Born in Melbourne and of Vietnamese background, Madelaine has shown an ongoing interest in pharmacy education and practice in underprivileged countries through her involvement in Remedy, a student club at the college. As recipient of the 2006 Mathew Peck Travelling Scholarship, Madelaine travelled to Vietnam to investigate the potential role of pharmacists in HIV prevention. When deciding to travel to Vietnam, she was strongly influenced by Remedy's mission to use the knowledge she gained from her pharmacy degree to help the people of Vietnam to help themselves.
