Campus	Mode	Intakes
Clayton	On-campus	Semester 1

[D6008 Handbook entry](#): refer to the Handbook for authorised course and unit information. Please note that the links in this map will direct you to the current version of the handbook entry. You can access previous versions of course and unit information by using the 'year switcher' located within a current course or unit entry.

Course requirements

- Students must complete a total of 48 credit points.
- Students must complete the required units as per the below course map.

Course notes

- On commencing the course and prior to commencing placement, students must obtain provisional registration with the [Psychology Board of Australia](#). This registration must be maintained for the duration of the course.
- Students may be required to undertake off-campus clinical placement activities.
- Students are required to successfully maintain and complete a practice log and competency journal as part of their course requirements. Both must be submitted to be eligible for course completion.
- Students must complete professional experience orientation provided by the faculty prior to undertaking any professional experience.
- Students will complete a minimum 300 hours of supervised placement activities throughout the course.
