<b>Where do I submit a course advice request?</b>	<a href="#">Submit your course advice request here</a>
<b>What information should I include in a course advice request?</b>	<p>When submitting a course advice request, you are able to add notes in order to receive the best advice.</p> <p>Including the questions will help your faculty provide you with the best advice:</p> <ul style="list-style-type: none"> <li>- Advise that you want to spend a semester (or two) studying at Monash Malaysia;</li> <li>- Ask if you are eligible to study overseas with your current degree;</li> <li>- Ask how many and what kind of units you are able to study at Monash Malaysia;</li> <li>- Ask if studying a semester (or two) will have an impact on your course progression or completion;</li> <li>- Ask if there is an ideal time in your degree for you to participate in a global intercampus program to Monash Malaysia; and</li> <li>- Ask if you are able to complete GIP in the last semester of your degree.</li> </ul>
<b>When will I receive my course advice?</b>	<p>Wait times can vary – the best thing to do is check-in with Monash Connect if you have been waiting for an extended period. Usually, submissions received earlier in the semester (outside of peak periods), will be completed more quickly.</p>
<b>What will I use my course advice for?</b>	<p>Your course advice can be used for the following:</p> <ul style="list-style-type: none"> <li>- Confirming your eligibility to participate in the GIP to Monash Malaysia program</li> <li>- Assist you in learning about your degree's units and understand how they can be used in developing your study plan.</li> </ul>
<b>What if I haven't received my course advice request prior to the exchange deadline?</b>	<p>If you have not received your course advice prior to the application deadline, do not let this delay your application until after the deadline.</p> <p>Instead, submit your application prior to the deadline and upload a screenshot of the receipt of your course advice request submission.</p>
