Any questions/comments, please email: info@accept.org.au or phone <NAME> on <NUMBER>. For further information, consult: www.accept.org.au

* This is an annualized rate and is calculated as the chlamydia testing rate among patients seen by you at least once in the last 12 months. This measure takes into consideration that many of your patients may consult you more than once in a 12 month period and are likely to be only eligible for one chlamydia test during the 12 months.
