Acknowledgement of Country

Monash University recognises that its Australian campuses are located on the unceded lands of the people of the Kulin Nations, and pays its respects to their Elders, past and present.

On behalf of the Monash Blues Committee, I would like to congratulate you on achieving a Blues Award for your accomplishments in 2024.

This award is difficult to achieve and is a testament to both your commitment to your sport and the culture of sporting excellence at Monash.

Monash University has continued to uphold the prestigious tradition across the waters for the last 62 years. As a Blues award winner, you join an elite group of athletes, connected by a love of sport, competition and excellence.

Your dedication and drive keeps the Monash sporting culture alive; encouraging personal bests, fostering core memories and establishing lasting friendships.

BLUES AWARDS

Being awarded a Blue follows a lengthy nomination and assessment process. In 1963, a Committee was established by the Monash Sport and Recreation Association, where a term of reference, criteria and guiding principles were put into place. This committee is made up of 5-6 previous Blues recipients alongside 2 Monash University staff members. While over time guidelines have evolved and members have changed, the prestige and significance of this Award still remains.

Meeting annually, the Blues Committee is assisted by the Blues Advisory Group to validate nominations received against the awarding criteria.
