- NOTE:
- It is important that you follow the course map unit sequence, as units are designed to build on prior knowledge. Taking units out of sequence can disrupt your progression and cause delays due to semester offerings and enrolment rules.
 - Foundation units:** You enrol in the foundation units [ENG1090](#) and/or [PHS1001](#) if you have not completed the Australian VCE (Units 3 & 4) or equivalent Specialist mathematics and/or Physics with [the required study score](#).
 - You **cannot swap** the semesters of any of the units.
 - Engineering minors are not available in the Engineering double degree courses.
 - You are required to complete at least 420 hours of Continuous Professional Development (CPD) in order to graduate. For further information refer to the [CPD webpage](#).
 - For enrolment advice, please refer to the [Course advisers webpage](#).
