Offer Summary - 2025/26

November, December and January Round Offers

- 632 (-60) offers in the November (Early) Round
- 10265 (-138) offers in December (Early) Round
- 3818 (+554) offers in January Round 1

Offers totals surpassed 2025 levels by a modest margin

- **Total offers** across all rounds rose to a record **16,468**, eclipsing the previous high of 15,997 recorded in 2025 by **+471** offers.
- Conversion rates remained above 80% in the December round, sustaining the consistently strong results achieved in 2025.
- Year-on-year gains in later-round offers, coupled with consistently strong conversion rates across the December and January Round 1 rounds, saw Monash meet or exceed load targets across most faculties early in February. At an institutional level, enrolments approached capacity constraints, requiring an effective throttling of further offers from January round 1.

Post Main Round offers effectively

- January Round 2 (Feb Round 1) offers dropped to 1227 down from 1424 in 2025.
- Monash continued to participate in all VTAC rounds up to February Round 3 in a reduced capacity

VTAC Course and System Changes 2026/27

Course Changes - 2025/26 (New & Cancelled Courses)

VTAC Code	Monash Code	Course name	Fee type	Campus	Qualifications: Minimum Duration

First in Family

We're going back to the future. Now VTAC has implemented the new application portal Monash is reverting our first in family definition to be more inclusive:

You are first in your family if your immediate family (i.e. parents and grandparents) did not attend university, and you and/or your siblings are the first to do so.

Monash Humanitarian Scholarship

Eligibility

- An International student, on eligible bridging or temporary protection visa
- On track to achieve a 70+ ATAR

We have up to 34 scholarships available each year that covers tuition fees and a \$6,000 allowance, the largest of any similar program in Australia. We need your help to spread the word to your students.

Fully funded pathways through Monash College are also available. Students who apply via VTAC automatically considered.

Key Dates

- Small changes to the **Monash Guarantee** and **Equity Schemes** will be announced soon.
- The **2027 SEAS Calculator** and **Under-represented Schools List** will be updated for 2027 and available before Open Day.
- **2027 Monash Guarantee ATARs** will be updated next week. Individual course pages will be updated in late July.
- Eligible students will receive **Monash Guarantee emails** during the week ATARs are released.

Thank You!
