Year/s applicable:

	Monash University OH&S Strategic Vision: 2018-2020	Safety focus area/program	Expected outcomes and benefits	Steps/actions in the process	Measures	Responsible Persons/Team	How can OH&S Team support you?	Expected completion date
	List which Strategic Priority is relevant to the identified focus area/program. The strategic vision can be viewed by clicking on the link in cell B7 or via the OHS Intranet.	What are the risk areas that you want to focus on and why?	Consider: * What is to be achieved * What does success look like * Process * Stakeholder engagement * Resources required * Timeframes for implementation * Quick wins - and longer term objectives	Can be sequential or subsequent	How are the expected outcomes/steps going to be measured?	Who is assigned responsibility for each step?
