# Monash Infection Assessment Clinic

Monash Infectious Diseases

## Receive your personalised infection passport

This clinic is specifically designed so that healthcare students can receive a full personalised assessment, education, all blood tests and vaccinations as quickly and cheaply as possible, so that your clinical placements are not held up.

Specialist infectious diseases doctors, pharmacists and nurses staff at the Monash Infection Assessment Clinic.

Please bring with you a GP referral, Medicare card and immunisation record.

## ▶ Tuesday evenings

<b>TIME:</b>	5pm – 8pm
<b>VENUE:</b>	Clinic M, Monash Medical Centre, 246 Clayton Road, Clayton
<b>TO ATTEND:</b>	To attend the clinic you need a referral from a General Practitioner. Once you have a referral from a GP, please phone 9594 4564 for an appointment.
