AN EVENING WITH KT WAXMAN

RMIT University, Building 1, 124 La Trobe St Melbourne 3000

Join us for an exclusive ONE OFF event with KT Waxman as she discusses “My Journey in Simulation”. She will be covering all topics from how she started her career in simulation, her achievements, how she has overcome challenges and where she sees simulation in the future.

There will also be plenty of time for your burning questions to be answered and do not fret, delicious nibbles and a drink or two will be waiting to quench your thirst after this inspiring presentation!

About KT Waxman...

An internationally known speaker and author, Dr KT Waxman is a national nurse leader and executive with over 30 years of experience in healthcare and corporate settings. She is an Associate Professor at the University of San Francisco, Director of the Executive Leadership Doctor of Nursing Practice (DNP) program, Director of the California Simulation Alliance (CSA) at HealthImpact and President of the Society for Simulation in Healthcare (SSH).

Dr. Waxman's work has been published extensively. She is the author of 3 books on Finance and Budgeting and the co-author of simulation book, "Healthcare Simulation Program Builder". Dr. Waxman received her DNP from the University of San Francisco, with an emphasis on health systems leadership and a concentration in clinical simulation. She holds many certifications and is a Fellow in the American Academy of Nursing (FAAN) and the Society for Simulation in Healthcare (FSSH).
