This is a conceptual outline only. Any queries regarding the course structure should be directed to the Course Adviser or to the [Student Services Office](#), at your relevant campus.

* Part-time students commence with these two units.

In the second year (full-time) or third and fourth years (part-time), students undertake three supervised practica and complete a research thesis on a topic relevant to the discipline of counselling psychology. On commencing the course and prior to commencing their placement, students must obtain provisional registration with the Psychology Board of Australia. This registration must be maintained for the duration of the course.
