TANIYA BOSE
MASTER OF DESIGN (INTERACTION DESIGN)
HOST ORGANISATION - YARRA TRAMS

WHAT ARE SOME OF THE BIG LEARNINGS OR HIGHLIGHTS FROM YOUR MITI PLACEMENT AT YARRA TRAMS?
How the transport industry works. Documentation is about keeping track of learnings, and also a manual for future collaborators. Understanding accessibility groups and how company departments work.

WHAT ARE SOME THE TASKS/PROJECTS/ACHIEVEMENTS THAT YOU COMPLETED?
Conducted design thinking processes.
Ran one on one user interviews and developed survey questionnaire.
Created wireframes, wireflows and UI for the final app.

IN WHAT WAY DO YOU THINK YOUR MITI PLACEMENT WILL ENHANCE YOUR FUTURE EMPLOYABILITY?
Having worked closely with the Accessibility Team at Yarra Trams, I am hoping it will open doors to similar opportunities in the accessibility field, as I want to provide value and make a social impact while utilising my skillset.

WHAT WOULD YOU SAY TO YOUR FELLOW STUDENTS THINKING ABOUT APPLYING FOR THE MITI PROGRAM?
Don’t be shy and talk. Make it about your projects in your cover letter, or meeting new people in your host company. Talk. Ask. Communicate.
