University

**ENTRY
SCHEMES**
2027

WE CAN CHANGE A NUMBER, SO YOU CAN CHANGE YOUR LIFE

Not everyone's story is the same. Life can get in the way of study. And we know your ATAR may not reflect your true academic ability.

No matter the circumstances, we recognise and support talent. That's why we offer entry schemes to help you enter your preferred course at Monash, by considering your life circumstances.

If you're inspired by big ideas and fired up with ambition, you'll fit right in at Monash.

Entry schemes

The Monash Guarantee promises entry at a lower ATAR, while equity schemes (formerly SEAS) adjusts your selection rank. Indigenous Australians, you'll also be eligible for entry through the Monash Indigenous Entry Scheme.

Having these schemes means that we can consider as many students as possible. In all cases, you must still meet prerequisites and any other requirements your preferred course might have. For example, you must pass the UCAT to enter medicine, and audition to enter music.

Depending on your situation and background, you could be eligible for the Monash Guarantee or equity schemes, or both. You don't have to choose between them. All you need to do is apply for equity schemes through VTAC, and leave the rest to VTAC and us. Most Victorian universities use equity schemes, while the Monash Guarantee is specific to Monash University.

THE MONASH GUARANTEE

You could be eligible for the Monash Guarantee if you:

- have experienced financial hardship
- are an Indigenous Australian
- are in Year 12 and attend a Monash-listed under-represented school
- live in a low socio-economic area
- live in or go to school in a regional or remote area
- are living in Australia as an asylum seeker or refugee

How it works

Most Monash courses have a Monash Guarantee ATAR. You'll find them listed within the course pages on our website and in the table opposite. For most courses, if you meet the Monash Guarantee criteria, achieve or exceed the Monash Guarantee ATAR, and complete or meet all course prerequisites, you're guaranteed a place in that course. There are some exceptions, which are explained in the table.

Eligibility

To be eligible for the Monash Guarantee, you must:

- have completed an Australian Year 12 (or equivalent) within the previous five years (2022 onwards), and have not commenced tertiary studies
- meet or exceed the Monash Guarantee ATAR for your preferred course
- satisfy all course-specific prerequisites and requirements, such as the UCAT, a portfolio, interview or audition
- be an Australian or New Zealand citizen, or holder of an Australian permanent resident, permanent or eligible temporary humanitarian visa
- demonstrate that you've met at least one of the following listed criteria:

Regional or remote area

If you live in or go to school in a regional or remote area, according to census data, you'll be eligible for the Monash Guarantee. Find out if your address qualifies at monash.edu/seas

Financial hardship

To demonstrate financial hardship, you must have documents that prove at least one of the following:

- You receive an income-tested Centrelink benefit (e.g. Youth allowance, Abstudy, Health Care Card)
- Your parents/guardians receive an income-tested Centrelink benefit (e.g. Family Tax Benefit A)
- You and/or your family are facing financial hardship or excessive financial obligations (e.g. living on a farm suffering from drought or floods).

Indigenous Australian

Monash is committed to encouraging more Indigenous students to access and succeed at university. If you're an Indigenous Australian and you meet the required ATAR, you'll be eligible for the Monash Guarantee.

Under-represented school

Monash has identified more than 1000 schools across Australia as being under-represented at university. If you attend one of these schools and meet the required ATAR, you'll be eligible for the Monash Guarantee.

Find the list at monash.edu/guaranteedentry

Low socio-economic area

If you live in a low socio-economic area according to census data, you'll be eligible for the Monash Guarantee. Find out if your address qualifies at monash.edu/seas

Living in Australia as an asylum seeker or refugee*

If you have experienced forced migration and meet the required ATAR, course prerequisite, and eligibility criteria, you may be eligible for the Monash Guarantee.

*Eligible Visa subclasses include:

Temporary Humanitarian Stay visa (subclass 449), Temporary Protection visa (subclass 785), Temporary Humanitarian Concern visa (subclass 786), Safe Haven Enterprise visa (subclass 790).

RC – a range of criteria is used for selection in addition to your ATAR, such as an audition or folio. You're guaranteed a place if you're successful in the additional selection criteria. Please note that health courses may also have restrictions due to clinical placements. We've reserved some places for Monash Guarantee students who wouldn't otherwise have been offered a place, and have the strongest results across the range of criteria.

MONASH INDIGENOUS ENTRY SCHEME

The Indigenous Entry Scheme offers Aboriginal and Torres Strait Islander applicants admission to a range of undergraduate courses with a significantly lower ATAR requirement (achieved ATAR of 50+, higher for some courses).

There are no special classes, extra requirements or time added to the course for students admitted under this entry scheme and students will graduate with the same Monash degree as any other student.

There are also opportunities to transfer into double degrees and into specialist degrees (eg. Bachelor of Laws; Bachelor of Engineering).

To be eligible for an offer, you must:

- be of Aboriginal and/or Torres Strait Islander descent;
- achieve an ATAR of at least 50.
- meet the course prerequisites (this information can be found in the VTAC course entry guide);
- complete the VTAC supplementary information form which is available from: vtac-supp.adm.monash.edu/SupplementaryVTAC
- add your preferred Indigenous Entry course as a preference on your VTAC application.

Indigenous students are encouraged to contact the William Cooper Institute for information about studying with Monash University.

EQUITY SCHEMES

Equity schemes adjust your Monash selection rank in recognition of circumstances that may have affected your education. This gives you a better chance of getting an offer for the course you want. You'll receive adjustments that reflect the severity of your circumstances. The adjustments are made to your achieved ATAR. We use this adjusted ATAR during the university selection process.

Eligibility

To be eligible for equity schemes, you must:

- satisfy the criteria for one or more of the equity schemes categories:
 - financial hardship
 - Indigenous Australian
 - First in Family to attend university
 - live in a low socio-economic area
 - live in a regional or remote location
 - be a recent refugee or seeking asylum in Australia
 - born in a non-English-speaking country and moved to Australia after 1 January 2017
 - experienced difficult family or life circumstances
 - living with a disability or medical condition
 - aged 21 or older on 1 January 2027
- be an Australian or New Zealand citizen, an Australian permanent resident, or hold one of the following visas for Australia:
 - Permanent Humanitarian visa
 - Temporary Protection visa
 - Bridging visa A or E
 - Safe Haven Enterprise visa.

You can find more information about the equity schemes categories and criteria at monash.edu/entry-schemes

ELITE STUDENT ATHLETE AND PERFORMER ENTRY SCHEME

Monash is committed to helping students combine academic success with sporting or performing arts success. We understand that your ATAR may not fully reflect your potential due to the significant time and dedication required to perform at an elite level.

If you're an elite athlete or performer, you may be eligible for the Elite Student Performer Entry Scheme, which recognises your unique circumstances and achievements. Applications for this entry scheme are submitted directly to Monash University.

For details on eligibility and how to apply, visit:
monash.edu/elite-athlete

HOW TO APPLY

You must submit a Equity Schemes and Scholarships application through VTAC and include Monash University in your course preferences to be considered for equity schemes adjustments and the Monash Guarantee and Monash University scholarships. Remember to include any documents VTAC asks you to provide.

EQUITY SCHEMES (SEAS) AND MONASH GUARANTEE ESTIMATE CALCULATOR

Check out our online calculator that estimates your equity scheme-adjusted selection rank and provides a list of the courses you may be eligible for. You can also see if you're eligible for the Monash Guarantee.
