WHAT ARE SOME OF THE BIG LEARNINGS OR HIGHLIGHTS FROM YOUR MITI PLACEMENT AT YARRA TRAMS?
The MITI program allowed me to gain experience engaging with stakeholders and a multi-disciplinary team. I gained valuable insight into what it means to be an engineer, by building an application and understanding the user design aspect, whilst also engaging on the business side.

WHAT ARE SOME THE KEY PROJECTS/TASKS/ACHIEVEMENTS THAT YOU COMPLETED?
We were able to create a user design methodology, business case scenario and engage with stakeholders to invest into the project.

IN WHAT WAY DO YOU THINK YOUR MITI PLACEMENT WILL ENHANCE YOUR FUTURE EMPLOYABILITY?
It has helped me identify the various skills I have and those I need to improve. I’ve also learnt how to engage professionally with people at different management levels.

WHAT WOULD YOU SAY TO YOUR FELLOW STUDENTS THINKING ABOUT APPLYING FOR THE MITI PROGRAM?
MITI provides an opportunity to learn new skills and to use skills that you have already learned in your degree. It will help you discover the hidden potential in you. The internship makes you job-ready.
