Purpose	The Monash University Summer and Winter Research Scholarships Policy has been developed to ensure that the program is administered in accordance with all University, legislative and regulatory principles.
POLICY STATEMENT	

The purpose of the Summer and Winter Research Scholarships is to encourage and attract high quality students interested in pursuing a career in research or academia.

Summer and Winter Research Scholarships will be awarded on merit and are available to undergraduate or postgraduate (coursework) students who are not full time continuing employees of the University. Scholarship holders must undertake research-related activities in the school or department offering the scholarship and must be awarded a minimum and no more than a maximum scholarship amount as set by the Coursework Scholarships Unit in conjunction with faculty departments and/or heads of schools.

The primary purpose of these scholarships is the education of the students. It is not an employment arrangement.
