

# MONASH GAOKAO ENTRY REQUIREMENTS FOR 2025 INTAKE<sup>1</sup>

The Gaokao is accepted into most Monash University and all Monash College Part 2 courses where students must satisfy minimum age requirements, Gaokao entry score, English entry requirements with submission of a Monash approved English test, Gaokao prerequisites (if applicable), and additional/special requirements (if applicable). The table below details some of these requirements where full details can be located on our website. The comprehensive subject completed during the Gaokao science stream can also be accepted as meeting the relevant courses Gaokao Physics or Gaokao Chemistry prerequisite requirement.

## CHOOSE YOUR MONASH PATHWAY

## HOW TO CALCULATE THE GAOKAO ENTRY SCORE:

All students must provide their official final National College Entrance Examination result (Gaokao) issued by the **relevant Chinese provincial examination authority** in order for Monash University or Monash College to establish if you satisfy the Gaokao entry scores.

**Monash converts the Gaokao entry score using the following calculation:**

Your total score achieved in the Gaokao will be converted into a 100% scale by dividing your total

scores achieved with the 2024 Gaokao maximum score\* published by the Department of Education in China for each Chinese province. For example: if you achieved a total score of 555 in your Gaokao and the 2024 Gaokao maximum score for Guangdong is 750, then the percentage score on a 100% scale converted by either Monash University or Monash College will be 74%.

\*The 2024 Gaokao maximum scores for each Chinese province are published by the Department of Education in China. Refer to <https://gaokao.chsi.com.cn/z/gkbfmslq/pcx.jsp>
