

12th Biennial Monash Pharmacy Education Symposium 2026 | Symposium workshop abstract template

Workshop abstract title (Max 15 words)	Trust in Action: Building Collaborative Healthcare Teams
Speakers/organisers list	Prof Lisa Nissen
Affiliations	The University of Queensland
Structured workshop abstract (Max 150 words)	Effective collaboration in healthcare teams is critical for delivering safe, patient-centered care. Trust among team members underpins successful interprofessional relationships, influencing communication, decision-making, and overall team performance. This workshop explores the principles of trust-building and strategies for fostering collaboration in diverse healthcare settings.
	Participants will gain practical insights into creating environments where trust thrives, enabling better teamwork and improved patient outcomes. The session will translate theory into actionable steps that can be applied in clinical, academic, and organizational contexts.
Learning outcomes (Max 3)	<ul style="list-style-type: none"> • Introduction and context setting (5 min) • Interactive discussion on trust and collaboration challenges (15 min) • Small group activity: Designing trust-building strategies for healthcare teams (20 min) • Group report back and synthesis (15 min) • Wrap-up and key takeaways (5 min)
	By the end of this workshop, participants will be able to: <ol style="list-style-type: none"> 1. Explain the importance of trust in collaborative healthcare teams. 2. Identify barriers and enablers to trust-building in interprofessional settings. 3. Develop practical strategies to foster trust and collaboration within their own teams.
Which FIP Workforce Development Goal or Goals would you assign your workshop abstract?	<ul style="list-style-type: none"> • WDG 5: Competency Development – Enhancing team-based competencies through trust-building. • WDG 8: Working with Others – Promoting interprofessional collaboration and shared responsibility. • WDG 9: Continuing Professional Development Strategies – Embedding trust and collaboration in lifelong learning.
