

Details of On-Site Supervisor form

Where the research will be undertaken principally at a research site other than Monash University (eg archives repository, field site, laboratory, commercial or governmental research station, another university etc) the on-site supervisor needs to assure Monash that the site provides a research environment which offers appropriate resources, facilities and research expertise to support the candidature for the duration of the research program. Note: an on-site supervisor is mandatory in laboratory-based disciplines as outlined in Section 3.5 of the Doctoral Information Handbook - <https://www.monash.edu/graduate-research/faqs-and-resources/content/chapter-three/3-5>.
