Following the Australian Government’s advice aimed at slowing the spread of COVID-19, Monash has made the difficult decision to reassess all of our immediate activations and events. This month’s Monash Update is dedicated to providing the most up to date information on upcoming events and programs.

The Domestic Student Recruitment team will remain accessible to schools to provide counselling via phone, email and virtual options where appropriate. We will also maintain contact with our Faculty colleagues for follow up if the need arises and we are exploring the option of developing online resources to support counselling of your students during these times.

For Monash’s position regarding COVID-19 please refer to our dedicated website and regularly updated online fact sheet.

Kind regards,
Domestic Student Recruitment team

GENERAL UPDATE

CAREERS PRACTITIONERS SEMINAR

Save the date for our annual Career Practitioners Seminar in 2020.

Thursday 18 June, Clayton campus.

We’re hopeful that this event will continue as planned however the format may vary to previous years. More information will be provided soon.

Look forward to seeing you there!

INTERNATIONAL STUDENT EXPERIENCE DAY

This year’s International Student Experience Day scheduled for April 16 will be postponed.

We’re hopeful that we will be able to run the program later in the year.

Find out more

SCHOOL HOLIDAY CAMPUS TOURS

The school holiday campus tours scheduled for 30 March, 9, 17 and 20 April at the Clayton campus, and 6 April at the Peninsula campus will no longer run.

Anyone who has registered will be contacted directly.

We will continue to take bookings for later in the year but based on the changing nature of the current
situation these may also change. We recommend that you continually check back for updates.

**MONASH INFORMATION EVENINGS**

Monash Information Evenings will proceed via webinar format on the dates and times that are currently advertised until the end of May.

This means that we will not be attending Mildura, Albury, Peninsula, Bendigo or Shepparton in person.

However, as these will now be delivered online, anyone can register and attend them virtually.

**MEDICINE, NURSING AND HEALTH SCIENCES**

**DO A VIRTUAL TOUR OF OUR BIOMEDICAL LEARNING AND TEACHING BUILDING**

Give your students a taste of everything our Biomedical Learning and Teaching Building has to offer.

Follow Jeremy, a Bachelor of Biomedical Science student, as he tours the building, including a visit to our innovative Centre for Human Anatomy Education microbiology laboratories. You'll also get to see a physiology class in action.

**ENGINEERING**

**VICTORIAN INDIGENOUS ENGINEERING WINTER SCHOOL**

The Victorian Indigenous Engineering Winter School is a wonderful opportunity for Indigenous students in years 10-12 to gain insights into what it's like to study and work in engineering.

This year’s event runs from 4 to 11 July.
OUTDOOR EDUCATION NO LONGER OFFERED
From 2020, outdoor education will no longer be offered within the Bachelor of Education (Honours).

If your students are passionate about health and physical education (HPE), our Primary and Secondary HPE and Secondary HPE specialisations qualify them to teach in a range of school, community, recreational and sporting settings.

Students who don't achieve the ATAR needed may be able to study the Diploma of Tertiary Studies as a pathway.

ARMS, HUMANITIES AND SOCIAL SCIENCES

$10,000 PRIZE FOR MUSIC STUDENTS AND TEACHERS
The Sir Zelman Cowen School of Music (SZCSoM) is pleased to announce the inaugural Monash International Women's Day Composition Commission.

This $10,000 prize provides an opportunity for a female composer located anywhere in the world, of any age, in any musical style to create a work for a SZCSoM ensemble of their choosing, including the Monash Academy Orchestra.

The work will be performed on International Women's Day 2021. It is the first prize of its kind in Australia.
