

K. Grey

Publication status 14/10/2008

Key. E: External publication, I: Internal publication (GSWA)

Published or presented in 2007 (Jan-June)		
I	Ms 124	Grey, K, 2007, Mythbusters - a critical examination of abiogenic stromatolites, Geological Survey of Western Australia 2007 Annual Lectures (talk, Presented 06/02/2007)
E	Ms 130	Grey K, 2007, Advances in Ediacaran biostratigraphy in Australia. <i>In</i> : STEEMANS, P. & JAVAUX, E. (eds.), Recent Advances in Palynology. Carnets de Géologie / Notebooks on Geology, Brest, Memoir 2007/03, p. 35–37, Abstract 05 (CG2007_M01/05). (Extended abstract: Submitted 12/04/2006, revisions returned: 15/01/2007, accepted for publication: 12/03/2007); proofs received: 12/03/2007; proofs returned: 12/3/2007; published: 23/03/2007)
E	Ms 123	GORTER, J, Grey, K, Hocking, R.M, 2007, The petroleum exploration potential of the Australian Infracambrian (Ediacaran) of the Amadeus and Officer Basins, Australian Petroleum Production & Exploration Association (APPEA), p. 391–392. (abstract and poster), (submitted 06/03/2007; accepted: 24/03/2007 ; published 15/04/2007)
E	Ms 040	EYLES, C. H, EYLES, N. and Grey, K, 2007, Palaeoclimate implications from deep drilling of Neoproterozoic strata in the Officer Basin and Adelaide Rift Complex of Australia: a marine record of wet-based glaciers: <i>Palaeogeography, Palaeoclimatology, Palaeoecology</i> , v. 248, 291–312. (Publication: Submitted 13/02/2006, revisions requested: 05/05/2006; revisions returned: 07/12/2006, accepted for publication: 12/12/2007); published: 01/05/2007)

Published or presented in 2007–2008		
I	Ms 127	Grey, K, 2007, Correlating Australia's Neoproterozoic glacial successions: International Geological Correlation Project (IGCP) 512 – Neoproterozoic ice ages, Workshop, Perth (talk presented 01/08/2007)
E	Ms 128	Grey, K, 2007, Ancient Pilbara fossils and their relevance to the search for life on Mars. St Joseph's School Northam, Science week lecture (talk presented 22/08/2007)
E	Ms 126	Grey, K, 2007, Looking for fossil evidence of life on Mars: Astronomical Group of WA (AGWA) (talk presented 04/09/2007)
E	Ms 114	Webster, L.J, McKirdy, DM and Grey, K, 2007, Biogeochemical anatomy of the Acraman bolide impact: 23rd International Meeting on Organic Geochemistry, Torquay, 9–14 September, Abstracts, pp. 257–258. (Abstract and poster, Submitted: 15/01/2007, accepted for publication 18/03/2007 ; presented (by Webster) and published 09/09/2007)
E	Ms 076	Sugitani, K, Grey, K, Allwood, A, Nagaoka, T, Mimura, K, Minami, M, Marshall, CP, Van Kranendonk, MJ and Walter, MR, 2007, Diverse microstructures from Archaean chert from the Mount Goldsworthy–Mount Grant area, Pilbara Craton, Western Australia: Microfossils, dubiofossils, or pseudofossils? <i>Precambrian Research</i> , 158, 228–262. (Publication, Submitted: 12/04/2006; substantially revised and resubmitted: 05/02/2007; revision requested: 27/02/2007; revisions returned: 16/03/2007; accepted for publication: 26/03/2007 ; proofs returned: 05/06/2007; published: 05/10/2007)
E	Ms 134	Sugitani, K, Grey, K, Nagaoka, T, Mimura, K, Walter, MR, 2007, Elaborate morphologies in probable microfossils from Archean chert, Pilbara Craton, Western Australia: indicators of complex cell behaviour: EANA07, 7 th European Workshop on Astrobiology, Turku, Finland, abstracts volume, p. 30. (Abstract and talk, presented (by Sugitani) and published 22/10/2007)
